Little, Brown Books for Young
Readers

'Rajiv Malhotra's insistence on preserving difference with mutual respect - not with mere "tolerance" - is even more pertinent today because the notion of a single universalism is being propounded. There can be no single universalism, even if it assimilates or, in the author's words, "digests", elements from other civilizations' - Kapila Vatsyayan In Being Different:

An Indian Challenge to Western Universalism, thinker and philosopher Rajiv Malhotra addresses the challenge of a direct and honest engagement on differences, by reversing the gaze, repositioning India from being the observed to the observer and looking at the West from the dharmic point of view. In doing so, he challenges many hitherto unexamined beliefs that both sides hold about themselves and each other. He highlights that while unique historical revelations are the basis for Western religions, dharma emphasizes self-realization in the body here and now. He also points out the integral unity that underpins dharma's metaphysics and contrasts this with Western thought and history as a synthetic unity. Erudite and engaging, *Being Different* critiques fashionable reductive translations and analyses the West's anxiety

over difference and fixation for order which contrast the creative role of chaos in dharma. It concludes with a rebuttal of Western claims of universalism, while recommending a multi-civilizational worldview.

What's the Difference?

The Ploofers

Bestselling author Sandra Magsamen brings us a little book that reminds us that our differences are our biggest gifts! If all of us were exactly alike and totally the same, We'd be boring and dull and that would be a shame. Everyone is someone special. We are all one of a kind. Just show the world who you are—let your you-ness shine! There is beauty and power in what makes each of us unique, and *What If?*, a book by Sandra Magsamen, reminds us that it is our differences

that allow us to be our one-and-only selves. With a warm, inspiring message, this book will give children courage to embrace their individuality and to accept others for who they are. This book is the perfect solution if you're looking for diversity books for toddlers and kindness books for children.

Stonewall Nero

Join Nellie, Gus, baby Jake, and their parents at Funland as they go on rides, watch performers, and play games along with many other children and grown-ups. As they enjoy their excursion, they - and young readers - notice that people are the same as one another in lots of ways, and different in lots of ways too.

The Purple Turkey St. Martin's Press

"Being Different Rocks! is a true story about Mickie-D a German Shepherd Dog that was born different. Mickie-D shares his journey to his furever home, learning about dog rescue, having adventures and that being different rocks." -- Amazon.com.

Who We Are! Vintage

Henry is a little monkey . . . and he happens to be blue. On the first day of school, Henry realizes that he doesn't exactly fit in because all the other monkeys are brown. When Henry's classmates tease him, it's not easy. In fact, for the first time in his life, Henry feels sad, lonely, and different. Thanks to his family's loving encouragement, Henry learns that being unique is what makes him special. When he starts to doubt himself, Henry remembers his parents' words, "Being different is good!" As Henry experiences both good days and bad days at school, he creates superpower words to

remind himself that he is special, loved, strong and brave. When Henry repeats these positive words every day, he starts to feel like a real superhero--a blue one at that! Henry discovers in one way or another we are all different and that's what makes us special. Join this endearing blue monkey as he overcomes insecurity with love, acceptance, and a few superpowers.

The Greta Thunberg Story
Penguin

An inspiring story of identity and self-esteem from celebrated athlete and activist Colin Kaepernick. When Colin Kaepernick was five years old, he was given a simple school assignment: draw a picture of yourself and your family. What young Colin does next with his brown crayon changes his whole world and worldview, providing a valuable lesson on embracing and celebrating his Black identity through the power of radical self-love and knowing your inherent worth. I Color Myself Different is a joyful ode to Black and Brown lives based on real events in young Colin's life that is perfect for every

reader's bookshelf. It's a story of self-discovery, staying true to one's self, and advocating for change... even when you're very little!

Being Different : An Different Challenge To Western Universalism Lulu.com

Being different from the masses is one of the greatest gifts that you possess! Let's face it: Who wants to be just like everyone else? Talk about boring! People come in all shapes and sizes and are born with natural and unnatural gifts and talents like no other, and your greatest challenge is to discover your gifts and then apply them to the world to create a better place, a better planet, a better universe! That is my challenge to you so that all of us can get along peacefully and become truly a population of one. I would like to ask you some questions to help you discover what makes you unique, different, and awesome. Are you different? Are you unique? Do you look different than others? Talk

differently than others? Do you walk differently than others? Have you been born with talents that very few others have? Have you been brainwashed to look at your talents as a disability? Do you stay up nights dwelling on all the things in life you don't have, rather than focus on all the blessings you do have? Have you ever been bullied at school, at home, and in many areas in your life? Have you ever been called a retard, dumb, disabled? If you have answered yes to any of these questions, perhaps you have yet to understand, accept, and apply your unique gifts to make the world a better place. If you have answered Yes to any of these questions, I feel your pain, I have walked in your shoes, and I can empathize with your situation. I have been bullied, called a retard, told that I am disabled, put in special classes, advised that I should not expect to reach my goals. My name is Tyler McNamer and I have been called ALL of the above many, many times in my life. I am nineteen years old and have been blessed with autism my entire life. I have chosen to accept my label of autism not as a disability but as an extraordinary ability and I want to help you overcome the label that you may have suffered from for many years of your life. So what is autism? The dictionary defines autism as a mental condition, present from early childhood, characterized by great difficulty in communicating and forming relationships with others. Also, it is defined as a mental condition in which fantasy dominates over reality. So just how many people today are affected by this condition? According to a recent WebMD study, 1 in 88 kids today has autism and for boys the numbers is 1 in 54. Also you might be surprised to learn that since 2002, autism has increased by 78 percent. Let's put those numbers in perspective. A high school with

1,000 students enrolled is going to have 11 students with this condition, and a bigger high school with 2,500 students is going to have 28 students with autism. So, now that you know more about autism, let me highlight some of the things you will learn by reading this book since I want to assure you that this book is not just a book about autism it is a book about how we can all live together in harmony regardless of our differences. In this book, you are going to learn that, despite our differences and diversities, we can get along and become a population of one to serve others. In this book, you will learn the importance of becoming the leader in your own life, following your dreams. You will learn to focus on your blessings instead of being discouraged by your challenges. In this book, you will learn to embrace change and continue to learn for a lifetime. In this book, you will learn what it is like to be

blessed with the unique ability of having autism. You will learn how not only to cope with your gifts, but to thrive in life and pursue your goals despite your challenges. In this book, you will learn how to turn your ability into a blessing to serve others

Different is good—not weird! A kind tale of tolerance from the Yo Gabba Gabba! gang. When Muno gets glasses, Brobee and Toodee tell him he looks weird. Muno's feelings are hurt—he doesn't want to look weird! Thankfully, Plex explains to Muno and the rest of the gang that we're all different from one another in some ways—and being different is cool! This is a reformatted paperback edition of a popular and sweet Yo Gabba Gabba! book. Yo Gabba Gabba! TM & © 2012 GabbaCaDabra LLC.

Everyone Is Different Simon and Schuster

Her parents didn't want her to do it. Her classmates refused to join her. Passersby expressed pity and

bemusement at the sight of the pigtailed teenager who sat alone on the cobblestones in front of the Swedish Parliament with a hand-painted banner saying School Strike for Climate. Before she went on strike, fifteen-year-old Greta Thunberg refused to speak and eat. She had no friends and no purpose in life. But one day she decided to act. A year later, her strike sparked a global movement with millions of followers who shared a common goal: Save the planet. Now. Being Different is a Superpower is the heartfelt story of one family's love and devotion to each other and their quest for a better world. Michael Part's bestselling books are published in 17 languages in 36 countries worldwide. Ages 9-up

Reds love being red. Yellows love being yellow. And Blues love being blue. The problem is that they just don't like each

other. But one day, along comes a different colour who likes Reds, Yellows and Blues, and suddenly everything starts to change. Maybe being different doesn't mean you can't be friends ... A very special picture book that supports the adage that there is more that unites us than divides us. Along Came a Different just goes to show how much better we can all be when we come together to find common ground as friends. This eBook comes with glorious audio accompaniment read by CBeebies star Justin Fletcher, complete with rich sound effects and fun music!

NEW YORK TIMES
BESTSELLER • This joyful rhyming book encourages children to value the "different" in all people, leading the way to a kinder world in which the

differences in all of us are celebrated and embraced. Macy is a girl who 's a lot like you and me, but she's also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us "different," permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them. Born to Be Different! Sourcebooks, Inc. Photographs and simple text celebrate friendship, diversity, and acceptance.

Along Came a Different Independently Published "One Wants to be a Letter is about embracing your uniqueness. The story is about the Number One whose friends are all letters. He has felt different and wants to be just like his friends. What person has not felt that way in their lifetime? Throughout the story, One keeps trying to be a letter, when in the end he finds out that being a Number One was what he was meant to be. Hard-Boiled Wonderland and the End of the World Scholastic Inc. In 1895, armed with their faith and their wits, the enterprising Sisters of the Community of the Church opened a tiny Anglican school at Marlton Crescent in the Melbourne suburb of St Kilda. One hundred and twenty-five years later, St Michael's Grammar School is one of Australia's top educational institutions, both utterly modern and deeply connected to its history and traditions. The School's values, passed down from the founding

Sisters, have linked generations of staff and students in a long line of academic excellence and community service. In this book, Professor Stuart Kells tells the lively story of St Michael's, celebrating the people and moments that have transformed it from its modest, devout origins through to the innovative K-12 institution it is today. Lavishly illustrated with more than 250 photographs and artefacts from the School's archives, *The Art of Being Different* pays tribute to this special place, on the occasion of its 125th anniversary.

Population One Civin Media Relations

The basis of the PBS American Experience documentary *Stonewall Uprising*. In 1969, a series of riots over police action against The Stonewall Inn, a gay bar in New York City's Greenwich Village, changed the longtime landscape of the homosexual in society literally overnight. Since then

the event itself has become the stuff of legend, with relatively little hard information available on the riots themselves. Now, based on hundreds of interviews, an exhaustive search of public and previously sealed files, and over a decade of intensive research into the history and the topic, *Stonewall: The Riots That Sparked the Gay Revolution* brings this singular event to vivid life in this, the definitive story of one of history's most singular events. A Randy Shilts / Publishing Triangle Award Finalist "Riveting...Not only the definitive examination of the riots but an absorbing history of pre-Stonewall America, and how the oppression and pent-up rage of those years finally ignited on a hot New York night." - Boston Globe
