The more powerful the family...the darker the secrets. Meet the family everyone's talking about in this prequel novella to the Sicily's Corretti Dynasty series, brought to you by Harlequin Presents.

Investigative journalist Emily Hyslop is furious when her editor—and ex—reassigns her from a career-making expos to a frivolous wedding in Sicily. But scandalous secrets lie behind the union of the rival Corretti and Battaglia families. Things start looking up when Emily meets the most intimidating, not to mention sexiest, man she's ever encountered.... Detective Anton Soranno has valuable insight into the Correttis and their scandalous dealings...and plenty of reason to hate them. He's the perfect source of information—and the more he helps Emily with her story, the more time they have to explore their intense desire. But even as their passionate nights uncover surprising feelings in both of them, Emily and Anton know that she must leave Sicily once the wedding is over.... Look for more books in the Sicily's Corretti Dynasty series from Harlequin Presents, beginning with *A Legacy of Secrets* by Carol Marinelli.

Once Upon a Time in the West Marvel

"If you devoured Stranger Things on Netflix and you're looking to fill the demogorgon-sized hole in your life, then look no further than Notes from the Upside Down. This fan-tastic guide has every fact you could ever wish for--from insights into the origins of the show, including the mysterious Montauk Project conspiracy theory; a useful eighties playlist (because, of course); and much more."--Amazon.

Original Disney Stories Are they really that different from the ones on the movies? Yes,

They are. Want an idea of how dark the original Disney stories are? Here's a taste...

Rapunzel got pregnant and had twins. Just saying. If you want Scary Disney stories... this book is for you. If you want to read Disney variations... this book is for you. If you want to know the origin of all these stories... you know. This book is a collection of stories from the Brothers Grimm, which are the actual authors of some of the most beloved Disney stories and other well-known folk stories. They compiled all these stories through years of research, to preserve these pieces of the german culture for future generations. Inside you will find the original stories of Snowwhite, Rapunzel, Rumpelstiltskin, Little red riding-hood, Hanzel & Gretel, just to say a few. But these are not like the beautiful stories Disney made you fall in love with. The original stories are raw, dark, and some may even be taken as horror stories. Which makes them great for readers like you, tired of those happily ever after. These stories were created to leave a piece of moral knowledge to the reader. Although not doing so in the most child-friendly way. Which is way more fun!

Governance by Indicators Image Comics

Enjoy the pun-omenal jokes written by the Walt Disney Imagineers and the Jungle Cruise skippers from the world-famous Jungle Cruise attraction. Guests board a boat and travel with a witty and experienced skipper to exotic rivers of the world, and leave smiling with memories of their vibrant voyage. In this book, Erwin Madrid's original illustrations accompany the jokes of the classic attraction, and together they steer readers deeper and deeper into lush lands filled with adventures, animals, and laughs. Follow along with word-for-word narration and relive the rollicking journey, or experience the magic for the very first time as you read.

Norby the Mixed-Up Robot Oxford University Press

The essays in this collection explore conflict and continuity across the spectrum of political, legal, and spiritual traditions from late medieval Umbria and Tuscany to sixteenth- and seventeenth-century Venice, Rome, and Castile. They point to a shared tradition of dispute and resolution in both ecclesiastical/spiritual and state/secular matters, whether of private conscience or public policy. Continuity of ideals, problems, and modes of resolution suggest that breaks in legal, political, or religious ideals and behavior were not as frequent or sharp as historians have argued. These continuities emerge from common methodological approaches grounded in close, careful reading of key texts and their polyvalent terms. Whether those were the terms of civil or canon law, spirituality, or astrology, each author has had to grapple with multiple possibilities, contexts, customs, and practices that reveal the

shifts and continuities in their possible meanings. -- Amazon.com.

Banquet for the Damned Longman Group United Kingdom

This text compares the historical, political and socio-economic aspects of Southern Europe. It argues that understanding the nature of the change and the specific characteristics of the area comes from an understanding of the intertwining of economic growth and social and political dynamics.

Adding whole new layers to enrich the viewing experience, this keepsake is essential reading for anyone and everyone who loves Stranger Things. Note: This ebook is best viewed on a color device with a larger screen.

The Last Wild Del Rey

Medieval Italy gathers together an unparalleled selection of newly translated primary sources from the central and later Middle Ages, a period during which Italy was famous for its diverse cultural landscape of urban towers and fortified castles, the spirituality of Saints Francis and Clare, and the vernacular poetry of Dante, Petrarch, and Boccaccio. The texts highlight the continuities with the medieval Latin West while simultaneously emphasizing the ways in which Italy was exceptional, particularly for its cities that drove Mediterranean trade, its new communal forms of government, the impact of the papacy's temporal claims on the central peninsula, and the richly textured religious life of the mainland and its islands. A unique feature of this volume is its incorporation of the southern part of the peninsula and Sicily—the glittering Norman court at Palermo, the multicultural emporium of the south, and the kingdoms of Frederick II—into a larger narrative of Italian history. Including Hebrew, Arabic, Greek, and Lombard sources, the documents speak in ethnically and religiously differentiated voices, while providing wider chronological and geographical coverage than previously available. Rich in interdisciplinary texts and organized to enable the reader to focus by specific region, topic, or period, this is a

volume that will be an essential resource for anyone with a professional or private interest in the history, religion, literature, politics, and built environment of Italy from ca. 1000 to 1400.

George travels to the future in the epic conclusion of the George 's Secret Key series from Lucy Hawking. When George finds a way to escape the spacecraft Artemis, where he has been trapped, he is overjoyed. But something is wrong. There 's a barren wasteland where his hometown used to be, intelligent robots roam the streets, and no one will talk to George about the Earth that he used to know. With the help of an unexpected new friend, can George find out what—or who—is behind this terrible new world, before it 's too late?

Salt on the Snow W. W. Norton & Company

"A hugely inventive adventure." —Eoin Colfer, New York Times bestselling author of the Artemis Fowl series In a world where animals are slowly fading into extinction, twelve-year-old Kester Jaynes feels as if he hardly exists either. He 's been locked away in a home for troubled children and is unable to speak a word. Then one night, a flock of talking pigeons and a bossy cockroach come to help him escape, and he discovers that he can speak—to them. And the animals need him. Only Kester, with the aid of a stubborn, curious girl named Polly, can help them survive. The animals saved Kester. But can he save them? "When ninety-nine pigeons smash through the windows of Kester's prison and carry him North to the last of the animals.... it's a moment as thrilling as when James flies off in the Giant Peach. Highly recommended" —The Times (UK) "Combines a great fondness for animals with an appreciation of the freakish.... The reserved narrative tone and tender yet peculiar view of animals give this piece its own offbeat flavor." —Kirkus Reviews "Alternately somber, thrilling, and silly." —Publishers Weekly

New Hollywood Violence Walter de Gruyter GmbH & Co KG

A groundbreaking work that reveals how Marlon Brando shaped his legacy in art and life. When people think about Marlon Brando, they think of the movie star, the hunk, the scandals. In Brando 's Smile, Susan L. Mizruchi reveals the Brando others have missed: the man who collected four thousand books; the man who rewrote scripts, trimming his lines to make them sharper; the man who consciously used his body and employed the objects around him to create believable characters; the man who loved Emily Dickinson 's poetry. To write this

biography, Mizruchi gained unprecedented access to a vast number of annotated books from Brando's library, hand-edited copies of screenplays, private letters, and recorded interviews that have never before been quoted in a biography. Original interviews with some of the still-living players from Brando's life, including Ellen Adler, his one-time girlfriend and the daughter of his acting teacher Stella Adler, provide even deeper insight into the complex person whose intelligence belied the high-school dropout. Mizruchi shows how Brando's embrace of foreign cultures and social outsiders led to his brilliant performances in unusual roles—a gay man, an Asian, a German soldier—to test himself and to foster empathy on a global scale. We also meet the political Brando: the civil rights activist, the close friend of James Baldwin, the actor who declined his Oscar to support Indian rights. More than seventy stunning—and many rare—photographs of Marlon Brando illuminate this portrait of the man who has left an astounding cultural legacy.

Django/Zorro #1 Random House Books for Young Readers

NEW YORK TIMES BESTSELLER • This official Minecraft novel is an action-packed thriller! When a new virtual-reality version of the game brings her dreams—and doubts—to life, one player must face her fears. Bianca has never been good at following the plan. She's more of an act-now, deal-with-the-consequences-later kind of person. But consequences can't be put off forever, as Bianca learns when she and her best friend, Lonnie, are in a terrible car crash. Waking up in the hospital, almost paralyzed by her injuries, Bianca is faced with questions she's not equipped to answer. She chooses instead to try a new virtual-reality version of Minecraft that responds to her every wish, giving her control over a world at the very moment she thought she'd lost it. As she explores this new realm, she encounters a mute, glitching avatar she believes to be Lonnie. Bianca teams up with Esme and Anton, two kids who are also playing on the hospital server, to save her friend. But the road to recovery isn't without its own dangers. The kids are swarmed by mobs seemingly generated by their fears and insecurities, and now Bianca must deal with the uncertainties that have been plaguing her: Is Lonnie really in the game? And can Bianca help him return to reality? [Five Masters of International Law](#) Simon and Schuster

A prequel comic from Netflix' award-winning series, delving into the mysterious workings of Project MKUltra and the weird science that opened the door to the Upside Down. Francine, a teenage girl with precognition, has struggled through a lifetime of exploitation: first by her parents, then by Dr. Brenner of Hawkins Laboratory. Dr. Brenner wants to harness her powers as well as those of the other gifted children that they hold captive at the lab. Wracked by increasingly disturbing

visions, she sees an opportunity for her and all the children to escape. But at what cost? From the pen of Jody Houser (Faith, CMYK: Magenta, Max Ride: Ultimate Flight) and featuring art from Edgar Salazar and Keith Champagne (Black Panther), Stranger Things comics is essential reading for fans of the hit Netflix series as well as fans of the urban fantasy and horror genres in general. Collects Stranger Things II issues #1-4.

2013 Manchester University Press

Few believed Professor Coldwell could communicate with spirits. But in Scotland's oldest university town something has passed from darkness into light. Now, the young are being haunted by night terrors and those who are visited disappear. This is certainly not a place for outsiders, especially at night. So what chance do a rootless musician and burned-out explorer have of surviving their entanglement with an ageless supernatural evil and the ruthless cult that worships it? A chilling occult thriller from award-winning author Adam Nevill, Banquet for the Damned is both a homage to the great age of British ghost stories and a pacey modern tale of Devil worship and witchcraft.

[Fairy Tales by Grimm Brothers \(Annotated & Illustrated\)](#) Pan Macmillan

Every year, the Bibliography catalogues the most important new publications, historiographical monographs, and journal articles throughout the world, extending from prehistory and ancient history to the most recent contemporary historical studies. Within the systematic classification according to epoch, region, and historical discipline, works are also listed according to author's name and characteristic keywords in their title.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Medieval Italy Harlequin

This book consists of interviews with five distinguished international lawyers from the UK, USA, Uruguay and France, conducted by the editor, Antonio Cassese, between 1993 and 1995. Each interview is preceded by a brief 'intellectual portrait' of the interviewee. In his general introduction Cassese

stresses that the interviews, all based on the same questionnaire, were intended to bring out not only the main ideas associated with each scholar in the fields of international law and international relations, but also his intellectual and philosophical background, his general outlook and his views of the prospects for the evolution of the international community. In his final essay, Cassese brings together the main threads of the interviews and points to the parallels and divergences appearing from them. This book offers a unique and important insight into the legal minds and outlook of a select group of prominent scholars of international law and legal institutions during the last years of the twentieth century.

Brando's Smile: His Life, Thought, and Work Regnery Publishing

A complete practitioner's guide to the provisions and practical implications of the new Markets in Financial Instruments Directive, MiFID II. The book will cover both the original Directive and all the changes and extensions brought about by MiFID II, how the directive will impact firms and how they need to prepare for its implementation and also how the directive interacts with other European and UK level legislation.
