Mesut Ozil is a midfield magician, casting an elegant spell over opponents and conjuring passes through gaps lesser mortals can't even see. After an eventful sojourn among the Galacticos of Real Madrid he has savoured silverware at Arsenal, while in 2014 he lifted the World Cup with Germany. But his life and career have been a test of resilience. Growing up in Germany's Turkish community, he faced prejudice from those who claimed his dual identity would prevent him giving his all for the national team. Later came questions over a different type of commitment, the kind levelled against those, like Mesut Ozil, who excel in football's finer arts rather than relying simply on running and ruggedness. He has

proved concerns on both these issues lack substance. In Gunning for Greatness, Mesut Ozil reveals the inside stories of his relationships with Jose Mourinho and Arsene Wenger, his quest to help the under-fire Frenchman restore Arsenal's pre-eminence - and how he silenced the sceptics by conquering the world.

"One of the most remarkable prose stylists to emerge from the noir tradition in this century." - Stephen King "Hard-boiled horror, pulp noir vampires, decaying urban souls - you're gonna need a shower after this one. . . . [Huston] kicks down the door of horror." - Fangoria, on Already Dead There's only so much room on the Island, only so much blood, and Manhattan's Vampyre Clans aren't interested in sharing. So when the Vyrus-infected dregs of New York's outer boroughs start creeping across the bridges and through the tunnels, the Clans want to know why. Bad luck for PI and general hard case Joe Pitt. See, Joe used to be a Rogue, used to work off his own dime, picked his own gigs, but tight times and a terminally ill girlfriend pushed him into the arms of the renegade Society Clan. Now he has all the cash and blood he needs, but at a steep price. The price tonight is crossing the bridge, rolling to Coney Island, finding the Freak Clan, and figuring out what's driving that bunch of savages to scratch at the Society's door. No need to look far. The answer lies around the corner in Gravesend. Convenient, all those graves. From uptown to the boardwalk, war drums are beating. Murderous family feuds and personal grudges are being drawn and brandished, along with the long knives. Blood will spill and, big surprise, Joe's in the middle. But hey,
