Celebrating Female Domination Miranda Birch Lester loved the danger of exposing himself to strange women. Until that is he meets a woman and her equestrian daughter that are going to whip him into shape, quite literally. Both riding women set about breaking this poor male ' s spirit like a twig until his brain is mush and he is a compliant ponyslave of the riding girl. A Double Femdom Mother & Daughter Riding Mistress Short Story approximately 6000 words. This is Book Number One in the Equestrian BDSM Femdom Series. For lovers of young superior riding women and the weak male submissives

that serve them.
The Horse and His Boy
Miranda Birch
"Are you nervous?" Olivia inquired. "It sounds like you are nervous." "Yes," Aaron admitted. "Hmmm," she purred, pleased with his reaction. "Spread your legs a bit farther apart." She pressed the tip of the riding crop against his inner thigh and held it there. "Are you nervous now?" He swallowed hard. "Y-yes," he stammered. She laughed, and with a satisfied smile on her face, she slid the riding crop slowly upward. "Now. I believe that I told you that I was going to whip you. Do you recall that?" "Yes, I do." "Right. I assume that when you thought about it, you pictured it in your mind. You imagined it." "Yes, I did." "And so for the past couple of days it has been in your mind." "Yes," he replied,

his fear becoming more apparent with every passing moment." And when you were getting ready this evening, to come here? When you were taking a shower, shaving, strapping the harness on, getting dressed, you were thinking about it, weren't you? You were anticipating it." "Yes," he replied. "Good. I find anticipation to be quite ... delicious. And I so love the thought of you making yourself as attractive as possible, and coming here just so that you might present yourself to me to be whipped. Olivia is going to enjoy having her way with Aaron, a man who wandered into her life, unsuspecting, and unprepared. She begins by giving him a cute nickname, "dickboy," which is just the start of her process of re-making his entire identity. By the time she is done, he will

fully appreciate her authority to do with him as she pleases. Breaking Him In Wyatt North Publishing, LLC "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt **Cruel Cruise**

Routledge

The story of a middle-aged man who surrenders his life to Mistress Cali, a woman he meets on the internet, but barely knows, and becomes her slave #4. He dreams of being her collared slave, living happily-ever-after in Martinsburg, West Virginia. But Cali has three other slaves who have served Mistress Cali for many years, and thus he becomes her #4 slave - the low man on the totem pole. He lives, shackled, in a stall in the barn behind the mansion. His body

hair is burned away, he's tattooed as a "slave", his cock and nipples pierced - and that's just in his first week of training. He serves at the pleasure of Mistress Cali at her infamous and lavish dungeon parties where he becomes a pony play. No-holds-barred BDSM.

Submissive Riverdale Avenue Books LLC

The viciously attractive Mark, with the unfaltering smile, has a day of endurance planned for Jenny that the devil himself would find challenging. His artful temperature play has her screaming, his anal dilators have her howling and a ride in the sybian's saddle leaves her virtually unconscious, but the day is far from over. A group of ladies, with wandering fingers, are given the task of transforming Jenny into a sweet, submissive pony girl who will be left looking 'hot to trot' in no time at all. After an exhausting day of training, Jenny has only escape or rescue on her mind. Alas, escape is rather difficult when you're naked, dressed in thigh high pony boots and have your hands immobilised in leather mittens which are clipped behind your back. Besides, escape isn't all that important - not when you're desperate for your next orgasm, it isn't.

After blowing through her

savings and being cut off completely by loved ones, Melissa found herself living on the streets of Pleasantview, West Virginia where she turned to a life of prostitution to get by. But after two years of performing too many acts of sexual perversion to count, she was offered a way out. The Haven helped the most needed find jobs and new homes. But they had a dark secret Melissa and her best friend Phoebe was about to be drawn into. A dark secret that made their lives as prostitutes seem vanilla in comparison.

Debbie Parker is still enjoying her stay with her old friend Mistress Lucy on her estate dedicated to the femdom lifestyle. Now she decides to take a greater interest in the activities of the estate, in particular the pony training. For on this estate, the ponies are not horses — but men!

Mistress Cali: My Year in Bondage

ReadHowYouWant.com

Submissive'Submissive', explores the largely hidden world of the submissive and masochistic female. The 20 selected interviews here were conducted over a 10-year period, by the BDSM magazine publisher and writer, Roy Turner and offer a full, frank and totally unique insight into the real

world of the lifestyle submissive. It certainly isn't some E L James 'Fifty Shades of Grey' or Nancy Friday 'My Secret Garden', etc fantasy-fest, what it does show is that those stereotypes—if they exist at all, are just not at all representative of the experiences related here. Like her male counterpart, the submissive female comes in all types; she can quite often be a highly successful career woman in 'real' life that simply craves the occasional release from responsibility that comes through role-play, or a woman who throws herself headlong into the lifestyle 100%. There was also a tendency to separate 'Husbands/Lovers' from 'Masters' and carry on a double-life either with or without their partner's knowledge or consent. But there is also a much darker side too that is not found so much in the male submissive; a truly dangerous area that some women willingly step into. These women certainly 'walk the talk'; whether it is extreme role-play, slave training, pony-girl, enforced servitude and prostitution, abduction or even kidnapping. Consequently, some of the experiences

related here could be considered extremely shocking and genuinely disturbing. It's definitely not one for the faint-hearted! For many interviewees, the need for domination had its roots, not surprisingly, in childhood. An authoritarian, even brutal, father—who went way beyond the occasional spanking, etc, started a trend, which they sought to recreate in future relationships. But other subjects found themselves instinctively drawn to it for reasons less explicable, certainly not out of diminished self-esteem or anything that obvious. In many of the stories told, the division between controlled and controller becomes blurred, in other words, the so-called submissive is actually directing the scenario. By far the most popular and powerful scenario for most women was the idea of being used by two or more men, total humiliation and degradation often being the key driver. Take a peak and use the 'Look Inside', feature and get to read a free sample of the book... Publisher's Note: This eBook contains explicit sexual content, graphic language, and situations that some readers may find objectionable. It is intended

for an adult audience.

The New Girl Xena Romanova
Giddy-up! Males transformed to humble beasts of burden, mercilessly used and abused by dominant women!

The New Pony NineStar Press

Leading Dominatrix and BDSM expert Alicia Zadig takes you on a provocative, eye-opening journey into the erotic world of Female Domination and male submission. Zadig explains the psychology behind male submission and answers the question: Why do men crave surrendering to a dominant woman? Hear from the men themselves as they reveal their most intimate desires. Learn why so many secretly fantasize about being dominated by a woman. Delve into their experiences with Dominatrices and see what keeps them coming back for more. Yes, *Mistress Training Pony Slave* shines a spotlight on the everyday men who seek to explore their submissive fantasies—an aspect of sexuality that often goes unacknowledged, despite a long history and deep psychological roots. Set at the crossroads of psychology, culture, history, and media, this book challenges society's perception of BDSM, kink, and fetish. Male submission

is more common than you think—and more rewarding than you can imagine!

In this episode, the third of the series, Debbie receives a very special present from her bestie, Mistress Lucy...because who says only males can be submissive?! Meanwhile, her personal male slave is lent to one of the staff!

Sexual Deviance and Society

Steam Estuff

This pioneering study of the much-mythologized Southern belle offers the first serious look at the lives of white women and their harsh and restricted place in the slave society before the Civil War. Drawing on the diaries, letters, and memoirs of hundreds of planter wives and daughters, Clinton sets before us in vivid detail the daily life of the plantation mistress and her ambiguous intermediary position in the hierarchy between slave

and master. "The Plantation Mistress challenges and reinterprets a host of issues related to the Old South. The result is a book that forces us to rethink some of our basic assumptions about two peculiar institutions -- the slave plantation and the nineteenth-century family. It approaches a familiar subject from a new angle, and as a result, permanently alters our understanding of the Old South and women's place in it.

Pony Girl Slave Miranda Birch

Planet xz345 delta was founded in 2103 as a penal colony for the galaxy's antisocial criminals. Most prisoners are male, and while their sentences are limited, there is no way off the planet when they are released. By 2230, the non-prison population is nearly 2,000,000, 86% male. Females are highly prized, and jealously protected by their husbands. But with so many men, the crime of rape is common. Thus in order to satisfy the male libido and maintain order, prostitution is legalized and bordellos are licensed with a small number of off-world whores. A single female can satisfy the sexual desires of a dozen or more men each day. The sex workers are protected from abuse, clients are protected from diseases, and the whole industry is taxed to generate

revenue. While sex between unmarried people is not a crime, sex outside of marriage, with a partner who is not a whore is strictly forbidden. Although stiff fines are imposed for offenders, it does little to curb unlawful sex.

Carrie's Story Crimson Rose Erotica

Mistress Krystal needs some serious stress relief so she heads down to one of New York City's most notorious BDSM clubs for their regular slave auctions, where she buys Stella for the evening. Back at her Manhattan apartment, Krystal practices her technique known as 'total tenderness before suffering', which aims to heighten the distinction in the slave's mind between the extremities of pleasure and pain. 1st person, alpha female submissive female, BDSM, girl-on-girl

In Book Two of Pony Tales, Jenny finds herself in the capable hands of Mark, her guide and tormentor for the day. She becomes accomplished in the art of crawling, gets an eye-opening tour of the facility and suffers regularly with the pain of

orgasm denial. Finding herself at the mercy of his fingertips, when he demonstrates the complexities of breath play, she panics that each gasp of air may be her last. Displayed, touched, fondled and at the mercy of others, Jenny begins to discover what life as a pony girl might entail, especially when faced with the wicked tongues of several pony boys! Getting acquainted with the rather aptly named Red Room and finding herself subject to a thorough spanking is her first discovery into the delicious world of pain and pleasure that awaits her. But there are far more devilish torments than spanking to be found at the Albrecht stables...

When Annette Gordon-Reed's groundbreaking study was first published, rumors of Thomas Jefferson's sexual involvement with his slave Sally Hemings had circulated for two centuries. Among all aspects of

Jefferson's renowned life, it was perhaps the most hotly contested topic. The publication of Thomas Jefferson and Sally Hemings intensified this debate by identifying glaring inconsistencies in many noted scholars' evaluations of the existing evidence. In this study, Gordon-Reed assembles a fascinating and convincing argument: not that the alleged thirty-eight-year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing. Friends of Jefferson sought to debunk the Hemings story as early as 1800, and most subsequent historians and biographers followed suit, finding the affair unthinkable based upon their view of Jefferson's life, character, and beliefs. Gordon-Reed responds to these critics by pointing out numerous errors and prejudices in their writings, ranging from inaccurate citations, to impossible time lines, to virtual exclusions of evidence—especially evidence concerning the Hemings family. She demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of

Jefferson. This updated edition of the book also includes an afterword in which the author comments on the DNA study that provided further evidence of a Jefferson and Hemings liaison.00 Possessing both a layperson's unfettered curiosity and a lawyer's logical mind, Annette Gordon-Reed writes with a style and compassion that are irresistible. Each chapter revolves around a key figure in the Hemings drama, and the resulting portraits are engrossing and very personal. Gordon-Reed also brings a keen intuitive sense of the psychological complexities of human relationships—relationships that, in the real world, often develop regardless of status or race. The most compelling element of all, however, is her extensive and careful research, which often allows the evidence to speak for itself. Thomas Jefferson and Sally Hemings: An American Controversy is the definitive look at a centuries-old question that should fascinate general readers and historians alike.

Dickboy Alyson Publications

"She saw: first, a square opening, about eight inches wide, in the lowest

step...finally she saw that there were fantasies concerning the male was a walnut shell, or half human pony. The price may one, outside the nearest seem a little steep: but door...she went to look at the remember this is a collection shell—but looked with the of SIX full-priced stories, so greatest astonishment. There if you are into pony play it is was a baby in it.” So ten-year-actually quite a bargain!

old Maria, orphaned mistress of Malplaquet, discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago nicknamed Mistress Masham’s Repose, live an entire community of people—”The People,” as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in Gulliver’s Travels) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by Maria’s well-meaning but clumsy attempts to make their lives easier, but their situation grows truly ominous when they are discovered by Maria’s greedy guardians, who look at The People and see only a bundle of money.
