I Love Lemonade Oxford University Press, USA

The first comprehensive account of the Berlin Africa Conference of 1884 and 1885, this book looks at the mixed motives behind the partition of Africa into colonial monopolies. Historians from both Africa and Europe interpret this unique moment in Euro-Africa relations, looking at the origins of the meeting, the priorities of negotiators, economic interests, missionary aspirations, and national rivalries.

Rugby Spirit The O'Brien Press Ltd

From the height of 'New Imperialism' until the Second World War, three generations of heroes of the British and French empires in Africa were selected, manufactured and packaged for consumption by a metropolitan public eager to discover new horizons and to find comfort in the concept of a 'civilising mission'. This book looks at imperial heroism by examining the legends of a dozen major colonial figures on both sides of the Channel, revisiting the familiar stories of Livingstone, Gordon and Kitchener from a radically new angle, and throwing light on their French counterparts, often less famous in the Anglophone world but certainly equally fascinating.

Praise for Merchant of Death "A riveting investigation of the world's most notorious arms dealer--a page-turner that digs deep into the amazing, murky story of Viktor Bout. Farah and Braun have exposed the inner workings of one of the world's most secretive businesses--the international arms trade." —Peter L. Bergen, author of The Osama bin Laden I Know "Viktor Bout is like Osama bin Laden: a major target of U.S. intelligence officials who time and again gets away. Farah and Braun have skillfully documented how this notorious arms dealer has stoked violence around the world and thwarted international sanctions. Even more appalling, they show how Bout ended up getting millions of dollars in U.S. government money to assist the war in Iraq. A truly impressive piece of investigative reporting."

—Michael Isikoff, coauthor of Hubris: The Inside Story of Spin, Scandal, and the Selling of the Iraq War "Douglas Farah and Stephen Braun are two of the toughest investigative reporters in the country. This is an important book about a hidden world of gunrunning and profiteering in some of the world's poorest countries." —Steve Coll, author of Ghost Wars: The Secret History of the CIA, Afghanistan, and bin Laden, from the Soviet Invasion to September 10, 2001 "In Merchant of Death, two of America's finest reporters have performed a major public service, turning over the right rocks that reveal the brutal international arms business at the dawn of the twenty-first century. In Viktor Bout, they have given us a new Lord of War, a man who knows no side but his own, and who has a knack for turning up in every war zone just in time to turn a profit. As Farah and Braun uncover and document his troubling role in the Bush Administration's Global War on Terror, his ties to Washington almost seem inevitable." —James Risen, author of State of War: The Secret History of the CIA and the Bush Administration "An extraordinary and timely piece of investigative reporting, Merchant of Death is also a vividly compelling read. The true story of Viktor Bout, a sociopathic Russian gunrunner who has supplied weapons for use in some of the most gruesome conflicts of modern times--and who can count amongst his clients both the former Taliban regime in Afghanistan and the U.S. military in Iraq--is a stomach-churning indictment of the policy failures and moral contradictions of the world's most powerful governments, including that of the United States." —Jon Lee Anderson, author of The Fall of Baghdad Two respected journalists tell the incredible story of Viktor Bout, the Russian weapons supplier whose global network has changed the way modern warfare is fought.

Bout's vast enterprise of guns, planes, and money has fueled internecine slaughter in Africa and aided both militant Islamic fanatics in Afghanistan and the American military in Iraq. This book combines spy thrills with crucial insights on the shortcomings of a U.S. foreign policy that fails to confront the lucrative and lethal arms trade that erodes global security.

Roars from the Back of the Bus is an absorbing, amusing and at times moving collection of tales that give a rare insight into the camaraderie that exists between players at the top of their game, showing that relationships forged through experiences on a Lions tour last a lifetime. From the first Tour in 1888, it showcases characters with immense personality who fought together in wars or on rugby pitches in foreign lands, and who shared a bond developed through touring as representatives of the home nations. Despite the changes to the game after the advent of professionalism, the experiences of Jamie Heaslip, Brian O'Driscoll and Joe Worsley are still similar in some ways to those of earlier intrepid tourists like Blair Mayne, Lewis Jones, Sir Carl Aarvold or David Rollo. Containing defining memories and private insights from across the tours and the decades, **Roars from the Back of the Bus** shows that the Lions ethos remains strong at the heart of every team.

Maryanne Amacher: Selected Writings and Interviews Random House

The life and work of Maryanne Amacher are as vast as they are as yet unknown. Situated at the very onset of serious study of her papers, Amy Cimini and Bill Dietz offer a heterodox and idiosyncratic selection of largely unpublished documents spanning the bandwidth of the still unprocessed contents of the Amacher archive. From personal notes and letters to program notes, manifesti, and unrealized project proposals, the documents are framed by longer interviews with Amacher that discuss corresponding periods of her life. The book's otherwise chronological organization leads readers carefully into Amacher's transforming musical thought, but the book also works strenuously against the definitive completism often associated with a 'collected writings.' Rather, Dietz and Cimini redouble the Archive's unprocessed status as the book's ethical mode of organization. This book is an invitation to an ongoing process that?because ongoing?must be encountered as provisional, promissory and open-ended. The book assembles staggeringly rich primary material and at the same time asks what it means to assemble those materials while the ground is still very much shifting under the question 'who was Maryanne Amacher?' Because Amacher worked across nearly every imaginable media format, this book will be of tremendous interest to theorists and practitioners in media and communications, urban design, contemporary art history, music studies, sound studies, film, radio, art criticism and performance studies?in short, the burgeoning configuration of disciplines that we might call an 'intermedial humanities.'

A breathless criminal investigation against the bloody canvas of the French Revolution The Paris Commune's "bloody week" sees the climax of the savagery of the clashes between the Communards and the French Armed Forces loyal to Versailles. Amid the shrapnel and the chaos, while the entire west side of Paris is a field of ruins, a photographer fascinated by the suffering of young women takes "suggestive" photos to sell to a particular clientele. Young women begin disappearing, and when Caroline, a seamstress who volunteers at a first aid station, is counted among the missing, her fiancé Nicolas, a member of the Commune's National Guard, and Communal security officer Antoine, sets off independently in search of her. Their race against the clock to find her takes them through the shell-shocked streets of Paris, and introduces them to a cast of fascinating characters.

Rugby Warrior Knopf Books for Young Readers

Praise for Eddie Jones 'A genuine super-coach' – The Sunday Times 'His gifts of leadership and organisation are remarkable' – The Daily Mail Eddie Jones is one of the most successful sports coaches of all time. From coaching three different nations to Rugby World Cup finals and enjoying a winning record with England of nearly 80 per cent, he knows what's needed to lead and manage high performance teams. For the first time,

Eddie reveals what it takes to operate in high pressure environments, the successes and setbacks, and how these lessons can be applied to every walk of life, from coaching a children's sports team to leading a multinational organization to simply doing your job better. Forthright and unflinchingly honest, Eddie Jones reveals what he has learnt from Sir Alex Ferguson, Arsène Wenger and Pep Guardiola, as well as from the founder of Uniqlo and Ron Adams of the NBA. Drawing on stories from nearly thirty years of coaching, Eddie explains how you need humour, humility and relentless curiosity to lead an eclectic mix of superstars – from Maro Itoje to James Haskell, George Smith to Kyle Sinckler – and create teams that are relentlessly hungry to win. Leadership is the ultimate rugby book about what it takes to be the best. Written with Donald McRae, two-time winner of the William Hill Sports Book of the Year Award, Leadership is the book for anyone who wants to learn how to build and lead a team to success.

WONDER IS NOW A MAJOR MOTION PICTURE STARRING JULIA ROBERTS AND JACOB TREMBLAY! Over 6 million people have read the #1 New York Times bestseller Wonder—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. Last year readers were given a special look at another side of his story with The Julian Chapter, and now they'll get a peek at Auggie's life before Beecher Prep, with an exclusive new short story told entirely from the point of view of Christopher, Auggie's oldest friend. Christopher was Auggie's best friend from the time they were babies until his family moved away; he was there through all of Auggie's surgeries and heartbreaks, through bad times and good—like Star Wars marathons and dreams of traveling to Pluto together. Alternating between childhood flashbacks and the present day, an especially bad day for Christopher, Pluto is the story of two boys grown apart learning that good friendships are worth a little extra effort.

Miracle Men Pan Macmillan

Winner of the Daily Telegraph Rugby Book of the Year The Sunday Times bestselling rugby book of the year Brilliant, honest, combative – Eddie Jones is a true legend of world rugby and remains an enigmatic figure in the game. In My Life and Rugby he tells his story for the first time, including the full inside account of England's 2019 World Cup campaign. He describes his experience growing up in a tough working-class area of Sydney, where he first played rugby, and how he learnt from the extreme highs and lows of his own playing career – the numerous successes but also the painful disappointment of never playing for Australia. He tells how he then embarked on a coaching career that has seen him become one of the most experienced and decorated coaches in Rugby Union, spanning four World Cups and three finals. His successes have included masterminding England's spectacular victory over New Zealand in the 2019 World Cup and engineering the sport's most stunning upset when Japan beat South Africa in 2015. My Life and Rugby is the story of one of the most compelling and singular figures in rugby. Told with unflinching honesty, this is the ultimate book for all fans of the sport. Written with Donald McRae, twice winner of the William Hill Sports Book of the Year award and three-time Sports Feature Writer of the Year, My Life and Rugby is the story of one of the most compelling and singular figures in rugby. Told with unflinching honesty, this is the ultimate rugby book for all fans of the sport. A Best Book of the Year – Daily Mail, Sunday Times, The Times

The dramatic story of neighbors in a small Danish fishing village who, during the Holocaust, shelter a Jewish family waiting to be ferried to safety in Sweden. It is 1943 in Nazi-occupied Denmark. Anett and her parents are hiding a Jewish woman and her son, Carl, in their cellar until a fishing boat can take them across the sound to neutral Sweden. The soldiers patrolling their street are growing suspicious, so Carl and his mama must make their way to the harbor despite a cloudy sky with no moon to guide them. Worried about their safety, Anett devises a clever and unusual plan for their safe passage to the harbor. Based on a true story.

Harold Schernoff, 14-year-old science whiz and social nerd, has a theory for every problem, from dating, to bullies, to making money, to sports, to how to buy a car when you're underage. When he and his buddy team up to put his theories to the test, nothing goes according to plan. A ski lesson becomes: Mass x Acceleration x Slope of hill = eeeAAGGHHH. As for first dates, only Harold could mastermind such disaster. Only Harold could go fishing and get caught by the fish. And only Gary Paulsen could write such a wonderfully funny story of friendship.

Rugby Rebel Picador

Updated edition of the #1 Amazon Bestseller LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 2020 Sports books tend to detail extraordinary achievements, triumphs against the odds or commemorate World Cup winning captains. This book does not do that. For many, playing professional sport is the Dream Job. Few manage it, very few make it to the top and for the rest, life is very different. This is their story. In *Fringes*, Ben Mercer invites you to witness life at the outer edges of professional rugby. This is a first hand account of what life is like as a journeyman professional athlete. You play, but to the wider public you don't exist. You earn but you don't drive a flash car. You sometimes pack out a stadium but sometimes, you play in a deserted park. This is the story for the majority of sports professionals. Only the minority taste the top, only one person gets to lift the cup or win the medal, only 15 get to play for England at any one time. For the rest, that's not the case. Ben Mercer is a former professional rugby player who after becoming disillusioned and uninspired plying his trade in the English Second Division, accepted an offer out of the blue to go to France and do something different - help an amateur team turn professional. This is a first hand account of what life is like in the lower reaches of professional sport - where your employment status is as precarious as your health and barely anyone will know your name. It's about how it feels to live year to year, with teammates constantly on the move. It's about how professionalism irreversibly changes the French club Stade Rouennais as they move up the divisions, about the tension between progress and identity in a rugby team. It's also about how it feels to actually be out there on the field, how it feels to occasionally do something extraordinary and how it feels when this is no longer enough for you to make the sacrifices that you need to make to keep playing. There's no ghostwriting, it's an unmitigated meditation on how it feels and

what it means to play rugby for a living, to dedicate yourself to an uncompromising but occasionally beautiful game. If you've wanted to know what life is really like as a professional athlete, on the Fringes, away from the glitz and glamour of the international game then look no further.
