## Case for Christ Student Ed Padded Independently Published

In response to a world awash in sexual chaos and gender confusion, this book offers a bold and thoroughly biblical look at the meaning of the body, sex, gender, and marriage. Bestselling author, cultural commentator, and popular theologian Christopher West is one of the world's most recognized teachers of John Paul II's Theology of the Body. He specializes in making this teaching accessible to all Christians, with particular attention to evangelicals. As West explains, from beginning to end the Bible tells a story of marriage. It begins with the marriage of man and woman in an earthly paradise and ends with the marriage of Christ and the church in an eternal paradise. In our post-sexual-revolution world, we need to remember that our bodies tell a divine story and proclaim the gospel itself. As male and female and in the call to become "one flesh," our bodies reveal a "great mystery" that mirrors Christ's love for the church

(Eph. 5:31-32). This book provides a redemptive rather than repressive approach to sexual purity, explores the true meaning of sex and marriage, and offers a compelling vision of what it means to be created male and female. Foreword by Eric Metaxas.

our Muslim neighbors and friends? Why is there such a surge of Islamist terrorism in the world today, and how are we to respond? Seeking Allah, Finding Jesus In Seeking Allah, Finding Jesus, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi ' s inner turmoil will challenge Christians and Muslims alike.

Among important books in the defense of Christianity, this one has few equals. Evidence That Demands a Verdict is an easy-to-read, front-line defense for Christians facing the tough questions of critics and skeptics. Using secular evidences and other historical sources, Josh McDowell's faith-building book is a must read for every Christian.

scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In **JESUS AMONG SECULAR GODS**, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge

to articulate why they believe that Jesus stands tall above all other gods.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The adhan, the Muslim call to prayer, is a tradition that every Muslim child should hear at birth. It is a call to dedicate your life to Allah. It resonates within you and rallies you together in unified prostration before Allah. #2 Ammi, the woman who whispered the adhan into my ears, was a self-sacrificial, loving woman who bore the noble name of Qureshi. She was calling me to prayer. #3 I was raised by my mother and sister, Ammi. My mother was a devout Muslim, and she exemplified the highest caliber of hospitality. She always seemed able to do everything. From making our food to preparing our clothes, she never seemed to fatigue or complain. #4 Ammi was a navy wife who had to play the roles of both mother and father. She chose to act swiftly and give her fear to Allah. She recited du ' aa, prayers from the Quran,

sections of hadith, and by impromptu prayers.

This book is a response in hopes to examine many of the issues presented in Seeking ALLAH, Finding JESUS by Nabeel Qureshi. Nabeel Qureshi raised fundamental issues that question the very foundation of Islam and Muslims. So, the author, a Muslim believer, went in search for answers. See through the lens of a devout Muslim, the Islamic God Allah, the Quran and Muhammad (pbuh) the last messenger. An examination that analyzes the Quran and hadiths in hopes to dissect Islam and shed light on the much needed evidence for readers to judge for themselves. The Quran states: "And do not dispute with the followers of the Book [Torah and Bible] except by what is best..." [29:46]. The author wishes to present this discourse in hope that the reader will find it of value.

*Who is Allah? What does He ask of those who submit to His teachings?* Pulitzer Prize-winner Jacke Miles gives us a deeply probing, revelatory portrait of the world's second largest, fastest-growing and perhaps most tragically misunderstood religion. In doing so, Miles illuminates what is unique about Allah, His teachings, and His resolutely merciful temperament, and he thereby reveals that

which is false, distorted, or simply absent from the popular conception of the heart of Islam. So, too, does Miles uncover the spiritual and scriptural continuity of the Islamic tradition with those of Judaism and Christianity, and the deep affinities among the three by setting passages from the Hebrew Bible, the New Testament, and the Qur'an side by side. In the spirit of his two previous books, *God and Christ*, and with his characteristic sensitivity, perspicacity and prodigious command of the subject, Miles calls for us all to read another's scriptures with the same understanding and accommodating eye that we turn upon our own.

### The Case for the Resurrection of Jesus Zondervan

Jesus appears to be revealing Himself to Muslims through powerful dreams and visions throughout the Islamic world today, and the results are dramatic. Eleven years ago, Pastor Tom Doyle felt God calling him to leave the pastorate and become a full-time missionary in the Middle East and Central Asia. Through his extensive work in the region, which includes over 80 trips to places like Iran, Afghanistan, Iraq, Egypt, Syria, Israel, Lebanon, and Turkey, Tom has met and recorded the stories of former Muslims

who were first introduced to Jesus through either a dream or a vision that powerfully opened their hearts to become followers of Christ. Though they live in the most dangerous places in the world for people who leave Islam and embrace Christ, their passion for the Savior is contagious and inspirational. These are never-before-told stories from the front lines of the world of Islam. Through these unexplained supernatural occurrences, more Muslims have become believers in the last ten years than in the last 15 centuries of Islam. Why would God use dreams to reach the Muslim world? Can dreams and visions be trusted? What happens after these people experience a dream or vision? In *Dreams and Visions*, Tom Doyle takes the reader deep into the heart of

the Middle East to meet believers who have been directly touched by the very hand of God.

What Every Christian Needs to Know About the Qur'an Thomas Nelson

Blessed are those who defy God. Although bumper stickers abound that propose otherwise, the Bible itself reveals that just because "God says it," does not, in fact, mean "that settles it." On the contrary, a close reading of Scripture reveals that God does not want us to blindly obey him, but rather, invites us to "lock hands" with him and fight. The purpose of this book is to show another way to understand the Bible, one in which readers are not asked to accept what God says, but on the contrary: to say no to it, not because they merely want to, but because the God of the Bible actually requires it.

Who was in the manger that first Christmas morning? Some say he would become a great moral leader. Others, a social critic. Still others view Jesus as a profound philosopher, a rabbi, a feminist, a prophet, and more. Many are convinced he was the divine Son of God. Who was he—really? And how can you know for sure? Consulting experts on the Bible, archaeology, and messianic prophecy, Lee Strobel searches out the true identity of the child in the manger. Join him as he asks the tough, pointed questions you'd expect from an award-winning legal journalist. If Jesus really was God in the flesh, then there ought to be credible evidence, including Eyewitness Evidence—Can the biographies of Jesus be trusted? Scientific Evidence—What does archaeology reveal? Profile Evidence—Did Jesus fulfill the attributes of God? Fingerprint Evidence—Did Jesus uniquely match the identity of the Messiah? The Case for Christmas invites you to consider why Christmas matters in the first place. Somewhere beyond the traditions of the holiday lies the truth. It may be more compelling than

What is the most hopeful word in History? For Billy Graham, that word is SALVATION.

Salvation from what? From our selfish and self-destructive selves. From the messes we get ourselves into. From the sin that has haunted humanity from the beginning of time and the evil that pulls us down every day. From the cultural deceptions that blind us to God's saving message.

From the Hell so many don't believe in. If we don't think we need salvation, we're fooling ourselves. If we think we are beyond salvation, we're underestimating God. If we just don't want to think about salvation, we're putting ourselves in eternal peril. At the age of ninety-five Billy Graham proclaims God's Gospel with resolve and deep compassion. It is a message he has been preaching for more than seventy years. And in this book you will sense its urgency, filled with hope for the future. "Believe on the Lord Jesus Christ, and you will be saved" (Acts 16:31) From America's evangelistic elder statesman: Salvation is what we all long for, when we are lost or in danger or have made a mess of our lives. And salvation belongs to us, when we reach out for the only One who can rescue us, Jesus. The saving message of the Gospel is the heartbeat of this preacher and evangelist. Millions around the

world have heard Billy Graham proclaim this unchanging truth. He has never forgotten the transformation of his own life, when he first said yes to God's gift of salvation, and he has witnessed multitudes turn their hearts to the God of Hope. *The Reason for My Hope: Salvation* presents the essence of that transformative message. It is biblical and timeless, and though simple and direct, it is far from easy. There are hard words, prophetic words, directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell. But through its ominous warnings shines a light that cannot be extinguished, a beacon of hope that Jesus came to seek and to save that which was lost. (Luke 19:10). he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in two of the world's greatest religions and the quest for truth. Qureshi--with great courage and intimacy--wrote this book with three major purposes in mind: To tear down walls between two of the world's major religions by giving non-Muslim readers an insider's perspective into a Muslim's heart and mind. To equip the reader with facts and knowledge, showing the strength of the case for the gospel contrasted with the case for Islam. To portray the immense inner struggle of Muslims grappling with the gospel, including all the sacrifices and doubts that rise up along the way.

Seeking Allah, Finding Jesus is more than the memoir of a man's pursuit of answers to the most important issues of life and faith. Ultimately, it's the story about the transformative grace and mercy of the one true God. This edition has been expanded to include: A revised foreword and introduction A new afterword by apologist Mark Mittelberg and a reflection by Nabeel's wife A substantially extended epilogue that shares how Nabeel told his friend David of his decision to follow Christ, how his parents found out, and more Expert contributions from scholars and ministry leaders on each section of the book, contributions previously included only in the ebook edition An appendix with a topical table of contents (for teaching from Seeking Allah, Finding Jesus) An appendix tackling the objection that Ahmadi Muslims--the Islamic movement that Qureshi was raised in--are not true Muslims

Tens of millions of Christians live in China today, many of them leading double lives or in hiding from a government that relentlessly persecutes them. Agent is his fascinating and riveting story. Bob Fu is indeed God's double agent. By day Fu worked as a full-time lecturer in a communist school; by night he pastored a house church and led an underground Bible school. This can't-put-it-down book chronicles Fu's conversion to Christianity, his arrest and imprisonment for starting an illegal house church, his harrowing escape, and his subsequent rise to prominence in the United States as an advocate for his brethren. God's Double Agent will inspire readers even as it challenges them to boldly proclaim and live out their faith in a world that is at times indifferent, and at other times murderously hostile, to those who spread the gospel.
