Le Monde Akashic Books

One of the earliest full-length, standalone graphic novels to be published in Europe and certainly one of the most original, Ici Meme was serialised in the adult French comics monthly, A Suivre, in the early 1980s. A quarter of a century later, this dark, funny, consistently surprising masterpiece has finally been translated into English as You Are There. Drawn in Tardi's crisp, 1980s neo-clear line style, gorgeously detailed, elegantly stylised with impossibly deep slabs of black, You Are There is a feast for both the eyes and the brain.

Suite Fran ç aise, an extraordinary novel about village life in France just as it was plunged into chaos with the German invasion of 1940, was a publishing sensation ten years ago; Ir è ne N é mirovsky completed the two-volume book, part of a planned larger series, in the early 1940s before she was arrested in France and eventually sent to Auschwitz, where she died. The notebook containing the novels was preserved by her daughters but not examined until 1998; it was finally published in France in 2004 and became a huge international bestseller, including in the US, where it has sold over one million copies. This dramatic and stirring graphic novel, translated from the French and faithful to the spirit of N é mirovsky's story, focuses on Book 1, entitled "Storm in June," in which a disparate group of Paris citizens flees the city ahead of the advancing German troops. However, their orderly plans to escape are eclipsed by the chaos spreading across the country, and their sense of civility and well-being is replaced by a raw desire to survive. A feature film version of Suite Fran ç aise, starring Michelle Williams, Kristen Scott Thomas, and Margot Robbie, was recently released. Emmanuel Moynet is a graphic artist and the author of more than forty graphic novels published in France.

The French cartooning master Tardi's first solo graphic novel is a riotous action-adventure comedy. Paris, 1914. In one

auspicious night, Lucien Brindavoine's humdrum life is thrown into wild disarray. Out of the blue, a strange old man visits Brinvadoine's flat and implores him to go to Istanbul to seek his destiny. No sooner are these fateful words spoken than a shot is fired through the window and the man is murdered by a mysterious assailant. Thus kicks off a madcap adventure wherein the mild-mannered dilettante Brindavoine races to the Middle East ? by boat, plane, and jeep ?with cutthroat assassins threatening him at every turn. After much ado, he encounters an iron city in the desert where an eccentric American billionaire will decide his fate. The first solo graphic novel by Tardi, Farewell, Brindavoine showcases the French cartooning master's signature blend of dark humor, brutal violence, and beguiling mystery. For Tardi fans, an essential early work; for newcomers, a thrilling primer to the Tardi oeuvre.

Cette chronique passionnante de la carrière de Nestor Burma, le détective de choc, qui "met le mystère knock-out", nous dévoile une autobiographie cachée liée à un savant mélange de roman noir et de surréalisme. Léo Malet est et restera le père du roman policier noir français. Lacassin livre ici des textes passionnants et fort documentés sur une oeuvre maîtresse dont on ne connaît pas toujours toutes les origines et tous les sens profonds. Fort illustré, ce livre rend également un hommage inédit et attendu à Maurice Renault, le grand artisan de la littérature policière contemporaine

Quel secret recèle la belle demeure familiale de Jacqueline Harcourt, alerte septuagénaire perrosienne ? Un monte-en-l'air malchanceux s'y tue en essayant de la cambrioler, un malheureux y est retrouvé pendu dans le hangar... Bernie Andrew, célèbre auteur de romans policiers et détective amateur à ses heures, est persuadé que ces événements ne sont ni accidentels ni fortuits. Il est convaincu que, pour des raisons inconnues, un mystérieux personnage tire les ficelles dans l'ombre et que cet individu qu'il a surnommé "Le joueur d'échecs" évolue dans l'entourage proche de la vieille dame. Son enquête le mènera dans les différents quartiers de Perros-Guirec, mais c'est de beaucoup plus loin que surgiront la solution de l'affaire et la révélation de l'identité du joueur d'échecs. Le 6e tome des enquêtes passionnantes de Bernie Andrew prend pour cadre la région de Perros-Guirec en Bretagne, pour le plus grand plaisir des lecteurs ! EXTRAIT Une sale tête, une mine renfrognée. L'individu, de taille moyenne, était vêtu d'un blouson de cuir et d'un jean en toile. Ses cheveux grisonnants se raréfiaient sur le sommet de son crâne. Son nez cassé de boxeur, sa vilaine peau grêlée lui donnaient une vraie tête de voyou de second ordre comme on en voyait dans les films en noir et blanc des années cinquante. Sans regarder quiconque, le quidam se dirigea vers la sortie de la rame. Puis le train s'ébranla et reprit un peu de vitesse. Bernie aperçut une dernière fois l'inconnu qui se hâtait le long du quai. Le TGV accéléra, la gare ne fut bientôt plus qu'un souvenir. This report analyses all aspects of cultural diversity, which has emerged as a key concern of the international community in recent decades, and maps out new approaches to monitoring and shaping the changes that are taking place. It highlights, in particular, the interrelated challenges of cultural diversity and intercultural dialogue and the way in which strong homogenizing forces are matched by persistent diversifying trends. The report proposes a series of ten policy-oriented recommendations, to the attention of States, intergovernmental and non-governmental organizations, international and regional bodies, national institutions and the private sector on how to invest in cultural diversity. Emphasizing the importance of cultural diversity in different areas (languages, education, communication and new media development, and creativity and the marketplace) based on data and examples collected from around the world, the report is also intended for the general public. It proposes a coherent vision of cultural diversity and clarifies how, far from being a threat, it can become beneficial to the action of the international community.

L'essor de la littérature populaire au XIXe siècle est lié à un processus de mass-médiatisation de la culture. Les pratiques sérielles du récit paralittéraire contemporain, dans ses différentes déclinaisons médiatiques (livre, BD, cinéma, chanson) sont les produits de cette transformation radicale de la culture en industrie. Le populaire serait-il prédisposé à cette expansion transmédiatique ?
