With *You Can Teach Yourself Fiddling*, veteran Mel Bay author, Craig Duncan, has produced an excellent book for the beginning fiddler. Its 36 lessons teach basic techniques through specific exercises and traditional fiddle tunes. From holding the fiddle and bow correctly to playing moderately advanced tunes in double stops, Craig will guide you through each progressive step. Although it is not necessary to be able to read music at the start of this book, the author gradually introduces principles of effective note reading throughout. A unique feature of this book is that the same tune may appear in more than one lesson, increasing in difficulty with each recurrence. Each variation builds on the previous one and assists students in learning how to create their own arrangements. Even with some repetitions of the same tune, you'll find more than 50 popular fiddle tunes in the book's 80 pages. Check points and reviews keep you on track from cover to cover. The companion DVD/video covers the first 17 lessons from the book.

ZAPPA'S GEAR: THE UNIQUE GUITARS AMPLIFIERS EFFECTS UNITS KEYBOARDS AND STUDIO EQUIPMENT An inside look at the machinery behind the music of rock legend Frank Zappa. Frank Zappa was an unremitting musical innovator and experimenter, always looking for ways to exploit the latest advances in technology. His working life coincided with the explosive development of music technology that ran from the 1960s through the following three decades. Without such inventions as the Marshall amplifier, the Gibson SG, the wah-wah pedal, and the Synclavier—much of it modified to his requirements and used in ways for which they had never been designed—Zappa's "air sculptures," as his music has been described, would have had a significantly different shape and texture. Lavishly illustrated—including over 180 unique photographs of Frank Zappa's guitars and equipment taken by the author at his UMRK studio in LA and featuring a foreword by Dweezil Zappa—Zappa's Gear offers an unprecedented inside look at the machinery behind the legendary music. In addition to a detailed presentation of the equipment, Zappa's Gear also introduces some of the pioneering inventors, engineers, and entrepreneurs without whom the instruments would not exist. Zappa's Gear is an official Frank Zappa book produced and written with the full cooperation and endorsement of Gail Zappa and the Zappa Family Trust. **New Book of Rock Lists** Rowman & Littlefield

How did he do it? So many years later, it's still the question guitar aficionados ask about Jimi Hendrix, whose music was like nobody else's. Song by song, album by album, concert by concert, this book analyzes how Hendrix achieved that sound—and so, shows you how to achieve it, too. The book examines all of Hendrix's equipment, providing a nuts-and-bolts analysis of each of his guitars (including serial number, history, and provenance), his amps choices, and his singular use of revolutionary effects from wah-wahs to overdrives to bizarre-o pedals like the Fuzzface. A practical reference book like no other, this volume gives the proper guidance and tools to any guitarist who wants to take a stab at emulating one of the greatest players of all time.

Un recorrido completo por la trayectoria vital, artística y política de Frank Zappa, uno de los más reconocidos músicos del siglo XX. Compositor, cantante, cineasta, productor, escritor y empresario, su carrera constituye una apasionante aventura cultural. Desde sus orígenes en los años sesenta en la escena freak californiana hasta su fallecimiento prematuro en 1993, a los 52 años de edad, publicó decenas de discos, ofreció más de un millar de conciertos y se erigió como el ícono del artista indomable que demolió todas las convenciones y resistió los ataques de la industria discográfica y del poder político. A partir de entrevistas a sus colaboradores y la consulta de miles de documentos en fondos estadounidenses, esta biografía no autorizada (la primera sobre Frank Zappa en español) ofrece un retrato sin prejuicios del músico iconoclasta y su época. En sus páginas asistimos a los ecos de las vanguardias artísticas, la influencia de Zappa en la contracultura activista, la gestación y desarrollo de su abundante obra, así como sus enfrentamientos con las discográficas y las organizaciones puritanas. Un paisaje donde conviven los Beatles, Bob Dylan y Jimi Hendrix junto a Edgard Varèse y Pierre Boulez, observado con el incomparable sarcasmo de un artista único, cuyo legado nos ofrece infinitas claves para entender nuestro presente.

In general, these transcriptions from Pat Kirtley's 1997 album of the same title are extremely accurate; the Red-Haired Boy, however, played as a duet with Steve Rector on the album - appears as a solo arrangement in this book. The Cambridge Companion to the Guitar Backbeat Books

"With this book, the Zappa fan will get a glimpse into Frank that I don't believe any other book written by him or about him expresses. And us Zappa fans love that. Thank you, Co." - Steve Vai

"I think the best way to start when somebody says something can't be done, just look at them and say: why not?" - Frank Zappa, Los Angeles, 1990 Co de Kloet and Frank Zappa were friends for many years, and during that time Co recorded nearly every conversation the two men had. They also corresponded frequently--about life, music, politics, and much more besides--and this book offers a unique chronicle of their friendship, from their first meeting in 1977 to Zappa's death in 1993. Co is renowned as an expert on Zappa's music, but this book is about far more than that, and is unlike any other collection of interviews. As his son Dweezil writes in his foreword, Frank was a reluctant and sometimes combative interviewee, yet his conversations with Co were open and wide-ranging. Through more than two decades of these discussions, Frank & Co reveals a

thoughtful, sensitive, and expansive Zappa, offering readers new insights into the life and career of one of the great masters of twentieth-century American music. It also includes Co's favourite memories of Frank, as well as interviews with Zappa alumni Flo & Eddie, Jimmy Carl Black, Pamela Zarubica, and Don van Vliet, aka Captain Beefheart.
