What Makes Love Last? Simon and Schuster
Intelligence That Comes from the Heart Every parent knows the importance of equipping children with the intellectual skills they need to succeed in school and life. But children also need to master their emotions.

Raising an Emotionally Intelligent Child is a guide to teaching children to understand and regulate their emotional world. And as acclaimed psychologist and researcher John Gottman shows, once they master this important life skill, emotionally intelligent children will enjoy increased self-confidence, greater physical health, better performance in school, and healthier social relationships. Raising an Emotionally Intelligent Child will equip parents with a

five-step "emotion coaching" process that teaches how to:
* Be aware of a child's emotions
* Recognize emotional expression as an opportunity for intimacy and teaching
* Listen empathetically and validate a child's feelings
* Label emotions in words a child can understand
* Help a child come up with an appropriate way to solve a problem or deal with an upsetting issue or situation
Written for parents of children of all ages, Raising an Emotionally Intelligent Child will enrich

the bonds between parent and child and contribute immeasurably to the development of a generation of emotionally healthy adults.

If the Buddha Dated Rodale Books

What really makes a relationship work? How can we stay interested in our partner for ever? How can we be happier in our marriage? Doctors John and Julie Gottman have spent over three decades studying the habits of 3000 couples. Within 10 minutes of meeting a couple, they can predict who will stay happily together or who will split up, with 94% accuracy. Based on their findings, they have now created an easy series of eight dates - spanning commitment; trust; conflict; intimacy; sex; fun; work; money; and family values - that will lead to a happier, lasting love life. Eight Dates draws on rigorous scientific and psychological research about how we fall in love using case studies of real-life couples whose relationships have improved after committing time to each other and following the dates. Full of innovative exercises and conversation starters to explore ways to deepen each aspect of the relationship, Eight Dates is an essential resource that makes a relationship fulfilling.

Eight Dates Grand Central Publishing In Ten Lessons to Transform Your

Marriage, marital psychologists John and Julie Gottman provide vital tools—scientifically based and empirically verified—that you can use to regain affection and romance lost through years of ineffective communication. In 1994, Dr. John Gottman and his colleagues at the University of Washington made a startling announcement: Through scientific observation and mathematical analysis, they could predict—with more than 90 percent accuracy—whether a marriage would succeed or fail. The only thing they did not yet know was how to turn a failing marriage into a successful one, so Gottman teamed up with his clinical psychologist wife, Dr. Julie Schwartz Gottman, to develop intervention methods. Now the Gottmans, together with the Love Lab research facility, have put these ideas into practice. What emerged from the Gottmans' collaboration and decades of research is a body of advice that's based on two surprisingly simple truths: Happily married couples behave like good friends, and they handle their conflicts in gentle, positive ways. The authors offer an intimate look at ten couples who have learned to work through potentially destructive problems—extramarital affairs,

workaholism, parenthood adjustments, serious illnesses, lack of intimacy—and examine what they've done to improve communication and get their marriages back on track. Hundreds of thousands have seen their relationships improve thanks to the Gottmans' work. Whether you want to make a strong relationship more fulfilling or rescue one that's headed for disaster, Ten Lessons to Transform Your Marriage is essential reading. The Love Hypothesis Workman Publishing Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice—the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with

conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

The Love Prescription Harmony From the country's leading couple therapist duo, a practical guide to what makes it all work. In 10 Principles for Doing Effective Couples Therapy, two of the world's leading couple researchers and therapists give readers an inside tour of what goes on inside the consulting rooms of their practice. They have been doing couples work for decades and still find it challenging and full of learning experiences. This book

distills the knowledge they've gained over their years of practice into ten principles at the core of good couples work. Each principle is illustrated with a clinically compiled case plus personal side-notes and storytelling. Topics addressed include:

- You know that you need to “treat the relationship,” but how are you supposed to get at something as elusive as “a relationship”?
- How do you empathize with both clients if they have opposite points of view? Later on, if they end up separating does that mean you've failed? Are you only successful if you keep couples together?
- Compared to an individual client, a relationship is an entirely different animal. What should you do first? What should you look for? What questions should you ask? If clients give different answers, who should you believe?
- What are you supposed to do with all the emotional and personal history that your clients stir up in you?
- How can you make your

work research-based? No one who works with couples will want to be without the insight, guidance, and strategies offered in this book. The Complete Book of Questions Simon and Schuster
NEW YORK TIMES BESTSELLER • Over a million copies sold! “An eminently practical guide to an emotionally intelligent—and long-lasting—marriage.” —Daniel Goleman, author of Emotional Intelligence The Seven Principles for Making Marriage Work has revolutionized the way we understand, repair, and strengthen marriages. John Gottman's unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work,

family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential.

The Acts of the Apostles Harmony Happily Ever After is not by chance—it ' s By Choice. John and Julie Gottman are cofounders of the Gottman Institute, bestselling authors, and award-winning researchers. Together, they have a deep understanding of what makes relationships work. Now, they bring that lifetime ' s worth of knowledge, research, and wisdom to bear in *Eight Dates*, a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. *Eight Dates* is written for any serious couple, and its dates are structured around the concepts of trust, dealing with conflict, sex and intimacy, having fun, work and money, children, and more. There

are questionnaires, innovative exercises, real-life case studies, and skills to master. Because to make love truly last, each of you have to be involved and active. *The Relationship Cure* Sourcebooks, Inc. Emotions link our feelings, thoughts, and conditioning at multiple levels, but they may remain a largely untapped source of strength, freedom, and connection. The capacity to be intimate with all our emotions, teaches Robert Augustus Masters, is essential for creating fulfilling relationships and living with awareness, love, and integrity. With *Emotional Intimacy*, this respected therapist and author invites us to explore: How to deepen our emotional literacy and become intimate with all our emotions The nature of emotional disconnection and what to do about it How to identify our emotions, fully experience them, and skillfully express them Illuminating, resolving, and healing old emotional wounds Gender differences in emotional intimacy and expression Steps for bringing greater emotional intimacy and depth into our relationships In-depth guidance for those facing depression, anxiety, and shame Why "blowing off steam" may make us feel worse, and the nature of healthy catharsis The

difference between anger and aggression, shame and guilt, jealousy and envy Individual chapters for fully engaging with fear, anger, joy, jealousy, shame, grief, guilt, awe, and the full spectrum of our emotions There are no negative or unwholesome emotions—only negative or harmful things we do with them. Through real life examples, exercises, and an abundance of key insights, *Masters* provides a lucid guide for reclaiming our emotions, relating to them skillfully, and turning them into allies—to enrich and deepen our lives.

The Seven Principles for Making Marriage Work Harmony Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies. *How To Win Friends and Influence People* Harvest House Publishers Zen and the art of falling in love . . . At once practical, playful, and spiritually sound, this book is about creating a new love story in your life. Drawing from Christian, Buddhist, Sufi and other spiritual

traditions, *If the Buddha Dated* shows how to find a partner without losing yourself. Kasl, a practicing psychotherapist, workshop leader, and Reiki healer for thirty years, offers practical wisdom on using the path to love as a means of awakening. *If the Buddha Dated* teaches that when you stay loyal to your spiritual journey, you will bring curiosity, fascination, and a light heart to the dating process.

[This Is How Your Marriage Ends](#) Penguin Life

Create your own schedule, maximize your leisure time, and work less while making more by following the revolutionary—yet realistic—four-day work week outlined in this groundbreaking book. In *Thursday is the New Friday*, author Joe Sanok offers the exercises, tools, and training that have helped thousands of professionals—from authors and scholars to business leaders and innovators—create the schedule they want, resulting in less work, greater income, and more time for what they most desire. Outlining the exact same strategies Joe used to go from working 60-hour weeks in the beginning of his career to now working 4 or less days a

week, *Thursday is the New Friday* will help you: Understand how you too can apply these principles and customize them for your own situation to be more productive at work while enjoying more leisure time. Discard unnecessary tasks and learn efficiencies that would not have been discovered otherwise. Find inspiration in the stories and testimonials from Joe's clients and colleagues who have implemented his methodology into their own work lives with incredible results. Understand the psychological research behind the principles of the four-day workweek and why we are actually more productive with one less workday. Most importantly, *Thursday is the New Friday* empowers you with a practical, evidence-based methodology to create your own work schedule and dedicate more of your precious personal time to pursuing your hobbies and spending time with your family and friends.

Emotional Intimacy Thomas Nelson
Turn your relationship into a love story that lasts by improving communication, strengthening your bond, and creating the trust that's essential in relationships. Couples therapy isn't just for failing relationships. Even if you trust

your partner to be faithful, loving, and committed, you can still benefit from a trust tune-up. Even if you appreciate your partner and they appreciate you, you can still benefit from reconnecting every now and then. Even if you don't think you need couples therapy, you can benefit from everything it has to teach you, from staying strong when times get tough to savoring the joyful moments together. Relationships need to be nurtured, and couples therapy can help you figure out what your unique relationship needs to thrive. Maybe you've thought about therapy for couples in the past, but you didn't think it would work for you. Maybe you didn't want to share your troubles with a total stranger. That's where this book comes in. The advice in this book will act as your counselor and guide you along as you learn to be a loving partner and build a stronger relationship. Through simple exercises designed with couples in mind, you'll be given

the tools you need to be open and honest with yourself and your partner and begin to look at your relationship through new eyes. In addition, you'll discover: Research-backed advice from a professional relationship counselor How external influences can affect your relationship and how to defend against them Worksheets to help you through the relationship exercises Questions to ask your partner to increase communication Apps and tools to help you through your couples therapy journey And much, much more! As a bonus, you'll also learn about the famous "love languages" and how you can use them to create a stronger bond. If you don't take time to examine and tend to your relationship, you'll never find out how fulfilling and rewarding it can be to experience a relationship filled with trust and contentment. Forget what you've thought about couples therapy in the past, and focus on the present to build a better relationship for the

future. To become a more loving partner and to receive unconditional, trusting love in return, click "add to cart."
And Baby Makes Three Little, Brown Spark
Now You ' re Speaking My Language from multimillion selling author Gary Chapman (The Five Love Languages) encourages husbands and wives to offer steadfast loyalty, forgiveness, empathy, and commitment to resolving conflict, thus encouraging each other in spiritual growth. With great clarity, Dr. Chapman shows how communication and intimacy are key points in developing a successful marriage by focusing on these principles: Lasting answers to marital growth are found in the Bible, Your relationship with God enhances your marriage relationship, Communication is the main way two become one in a marriage, and Biblical oneness involves sex, but also intellectual, spiritual, emotional, and social oneness.
The Mathematics of Marriage Workman Publishing
Divorce rates are at an all-time high.

But without a theoretical understanding of the processes related to marital stability and dissolution, it is difficult to design and evaluate new marriage interventions. The Mathematics of Marriage provides the foundation for a scientific theory of marital relations. The book does not rely on metaphors, but develops and applies a mathematical model using difference equations. The work is the fulfillment of the goal to build a mathematical framework for the general system theory of families first suggested by Ludwig Von Bertalanffy in the 1960s. The book also presents a complete introduction to the mathematics involved in theory building and testing, and details the development of experiments and models. In one "marriage experiment," for example, the authors explored the effects of lowering or raising a couple's heart rates. Armed with their mathematical model, they were able to do real experiments to determine which processes were affected by their interventions. Applying ideas such as phase space, null clines, influence functions, inertia, and

uninfluenced and influenced stable steady states (attractors), the authors show how other researchers can use the methods to weigh their own data with positive and negative weights. While the focus is on modeling marriage, the techniques can be applied to other types of psychological phenomena as well.

How to Date Like a Grown-up
Hachette UK

From the country's foremost relationship expert and New York Times bestselling author Dr. John M. Gottman comes a powerful, simple five-step program, based on twenty years of innovative research, for greatly improving all of the relationships in your life—with spouses and lovers, children, siblings, and even your colleagues at work. Gottman provides the tools you need to make your relationships thrive. In *The Relationship Cure*, Dr. Gottman: - Reveals the key elements of healthy relationships, emphasizing the importance of what he calls “emotional connection” - Introduces the powerful new concept of the emotional “bid,” the fundamental unit of emotional

connection - Provides remarkably empowering tools for improving the way you bid for emotional connection and how you respond to others' bids - And more! Packed with fascinating questionnaires and exercises developed in his therapy, *The Relationship Cure* offers a simple but profound program that will fundamentally transform the quality of all of the relationships in your life.

Hold Me Tight Sounds True

A “must-read” (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, “Why has everyone found love except me?” You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the

hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This “simple-to-use guide” (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why “the spark” is a myth (but you'll find love anyway) This “data-driven” (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.

Ten Lessons to Transform Your Marriage
Canongate Books

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, *The Man's Guide to Women* unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.

successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

Eight Dates Simon and Schuster
"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The

results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

The Man's Guide to Women Penguin

If you're like me, you might have tuned out or rejected the idea whenever you hear someone say "you have to love yourself" and you might even say to yourself, what the heck does that mean? Unfortunately, loving yourself can be so foreign of a concept and yet it might also be the very thing that changes your life... for the better in every way. Self-love--our capacity to feed our spirit, fill our 'love cup' and feel inner peace is endless-- we just need to tap into it. But how? How the heck do we create [or

experience] inner happiness? That's what this book attempts to address.
