Creative professionals seeking the fastest, easiest, most comprehensive way to learn Creative Suite 6 choose Adobe Creative Suite 6 Design and Web Premium Classroom in a Book from the Adobe Creative Team at Adobe Press. The 6 project-based lessons show readers step-by-step the key techniques for working with the applications in the Creative Suite. Readers learn what they need to know to create engaging layouts for print or web publishing. This completely revised Adobe Creative Suite 6 Design & Web Premium edition covers new tools and essential performance and workflow enhancements, including how to set up basic assets in Bridge CS6, use Content-Aware tools on images and edit video in Photoshop CS6, create accurate image tracings in Illustrator CS6, design print layouts and documents for mobile devices in InDesign CS6, and prototype and build a website in Dreamweaver CS6. The companion DVD includes all the lesson files readers need to work along with the book. Each chapter contains a single project that builds on the reader's growing knowledge of the suite and how to use the suite applications together. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that

directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
