English
translation
of the Faroe-
Islander
Saga
(Faereyinga
saga)--a
great
medieval
Icelandic
saga--tells

the story of
the first
settlers on
these wind-
swept
islands at
the edge of
the
Scandinavian
world.
Written by
an anonymous
13th-century
Icelander,
the saga
centers on
the enduring
animosity
between
Sigmundur
Brestirsson
and Thrandur
of Gota,
rival
chieftains
whose bitter
disagreement
s on the

introduction of Christianity to the Faroe Islands set the stage for much violence and a feud which then unfolds over generations of their descendants. Making the saga accessible to a wider English readership, the translation is accompanied by a brief introduction , explanatory

notes, genealogical and chronological tables, detailed maps and an excerpt from Jomsvikings' Saga which informs missing passages from the Faroe-Islander Saga manuscripts. The Meeting of the Chieftains UBC Press No one knows colleges better than The Princeton Review! Not sure how to tackle the scariest part of your college application—the personal essays? Get

a little inspiration from real-life examples of successful essays that scored! In College Essays That Made a Difference, 6th Edition, you ' ll find:

- More than 100 real essays written by 90 unique college hopefuls applying to Harvard, Stanford, Yale, and other top schools—along with their stats and where they ultimately got in
- Tips and advice on avoiding common grammatical mistakes
- Q&A with admissions pros from 20 top colleges, including Connecticut College, Cooper Union, The University of Chicago, and many more

This 6th

edition includes application essays written by students who enrolled at the following colleges: Amherst College, Barnard College, Brown University, Bucknell University, California Institute of Technology, Claremont McKenna College, Cornell University, Dartmouth College, Duke University, Georgetown University, Harvard College, Massachusetts Institute of Technology, Northwestern University, Pomona College, Princeton University, Smith College, Stanford University, Swarthmore College, Wellesley College

Wesleyan University, Yale University, Faroe-Islander Saga, BRILL, The Brigands' Song is a unique testimony to the experiences of ordinary men – and women – during wartime in pre-modern China. Complete Works, Reprinted Entire from the Last English Edition, Ananda Pilimatalavuva, Chieftains is a frighteningly authentic 'best-selling' novel of the invasion of Europe by the Russian and Warsaw Pact armed forces seen through the eyes of the fighting men on the ground. In particular it tells the story of

the crew of Bravo Two, a Chieftain main battle tank of the British 4th Armoured Division, and also that of the crew of 'Utah', an American Abrams of the 5th United States Force, as both units face the onslaught of the Soviet armour onto the killing zones of the German Plain. 'Chieftains' has been rated the best-ever novel of tank warfare. General Sir John Hackett who reviewed it, stated that it was 'a dramatic and authentic account'. Impeccably researched at military bases in the UK and Europe, and with the assistance of the British Ministry of Defense, Allied forces armoured

personnel and ex-servicemen with battle experiences in various theatres of war, 'Chieftains' was written during the darkest and most tense period of the 'Cold War' between East and West. The book brutally shows what could have happened as a Third World War began. The Modern Review Wipf and Stock Publishers
The British Chieftain – designed in the late 1950s as the replacement for the Centurion – was perhaps the best main battle tank in service with Nato during the 1960s and 1970s. Its 120mm rifled main gun and advanced armor made it one of the most formidable tanks of its time, and

Robert Jackson 's book is an authoritative introduction to it. Although it was intended to fight Soviet armor on the plains of northern Germany, it was in the heat and sand of the Middle East that the Chieftain fought its major battles during the Iran – Iraq War of the 1980s, and it proved to be very effective during the Gulf War of 1991. Variants of the Chieftain were exported to Iran, Oman, India, Kenya and Nigeria, and its chassis was adapted to fulfill a variety of tasks, including armored recovery and bridge-laying As well as tracing the history of the Chieftain, Robert Jackson's work provides an excellent source of reference for the modeler, providing

details of available kits and photographs of award-winning models, together with artworks showing the color schemes applied to these tanks. Each section of the book is supported by a wealth of archive photographs.

Universal
Dictionary of the English Language
Princeton Review
This volume deals with the experience and the position of non-tribal Jewish subjects and their relationships with their tribal chieftains (aghas) in urban centers and villages in Kurdistan. It is based on new oral sources, diligently collected and

carefully analyzed. Second Book of History for Children and Youth Pen and Sword
Ivanhoe is the story of one of the remaining Saxon noble families at a time when the nobility in England was overwhelmingly Norman. It follows the Saxon protagonist, Wilfred of Ivanhoe, who is out of favour with his father for his allegiance to the Norman king, Richard I. The story is set in 1194, after the failure of the Third Crusade, when many of the Crusaders were still returning to their homes in Europe. Rob Roy is a historical novel narrated by Frank Osbaldistone, the son of an English merchant. He travels first to the North of England, and

subsequently to the Scottish Highlands, to collect a debt stolen from his father. On the way he encounters the larger-than-life title character, Rob Roy MacGregor. Though Rob Roy is not the lead character, his personality and actions are key to the novel's development. Waverley is set in the time of the Jacobite uprising of 1745 which sought to restore the Stuart dynasty in the person of Charles Edward Stuart, known as "Bonnie Prince Charlie". A young English dreamer and soldier, Edward Waverley, is sent to Scotland that year. He journeys north from his aristocratic family home, Waverley-Honour, in the south of England, first to the Scottish Lowlands and the home of family

friend Baron Bradwardine, then into the Highlands and the heart of the rebellion and its aftermath. Sir Walter Scott (1771-1832) was a Scottish historical novelist, playwright and poet. He was the first modern English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and North America. Chieftains The History Press
Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition

of Operas in English: A Dictionary, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer ' s name; the librettist ' s name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first

and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose

works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A – Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key figures. biographies of chieftains of Sri Lanka in late 18th century and the political conditions of their times. Chambers's Cyclopaedia of English Literature Wolfhound Press (IE) Includes lists of members. Journal of the Cork Historical and Archaeological Society McFarland George Clarke joined the Metropolitan Police in 1841. Though a "slow starter," his career took off when he was transferred to the small team of detectives at Scotland Yard in 1862, where he became known as

"The Chieftain." This book paints the most detailed picture yet published of detective work in mid-Victorian Britain, covering "murders most foul," "slums and Society," the emergence of terrorism related to Ireland, and Victorian frauds. One particular fraudster, Harry Benson, was to contribute to the end of Clarke's career and lead to the first major Metropolitan Police corruption trial in 1877. This fascinating book uses widespread sources of information, including many of Clarke's own case reports. Chieftains into Ancestors e-

In the seven years since it was published, "Miller's yeoman narrative" (Ryan Byrne, BASOR) has become an important part of academic discourse on early Israel. An illuminating social history of ancient Israel, Chieftains of the Highland Clans offers an unusually thorough and original reconstruction of Israelite society prior to the rise of the monarchy

around 1000 BC. Using the latest archaeological research and anthropological theories, Robert Miller presents an intriguing picture of what life was like in early Israel. This reprint edition contains a new preface by the author that surveys developments in the past decade impacting issues addressed in Chieftains of the Highland Clans. The Medea of Euripides
An essential starting point for anyone wanting to learn about life in the largest empire in history, this two-volume work encapsulates the

imperial experience from the sixteenth to the twenty-first centuries. • Provides primary sources that give voice to the people who ran, opposed, and were subjects of the British Empire • Consolidates the most up-to-date research from established and emerging scholars in the field in many countries and at many institutions • Includes a detailed introduction that succinctly puts the British Empire into historical context • Offers a chronology of events and episodes important to both the rise and fall of the British Empire • Provides a broad range of perspectives that focus not only on the white men who controlled the British Empire but also on the many people—such as

women, indigenous peoples, poor Europeans, and Christian missionaries—who formed it • Avoids simplistic assessments of British imperialism as merely "good" or "bad," emanating an objectivity that enables readers to develop their own ideas about the nature of the empire

Indian Heroes and Great Chieftains.by

Since their humble beginnings in the folk clubs and bars of Ireland in the early '60s, The Chieftains have built a worldwide reputation and following based on their brilliant musicianship, their rediscovery and reinvention of

traditional Irish music, and their own original music and Oscar-winning soundtracks. Based on exclusive interviews with all the band's members, their families and friends, this is the intimate and comprehensive history of one of the most acclaimed Irish bands of all time. photos.

The Chieftains in the Last Phase of the Kandyan Kingdom (Sinhala é)
Excerpt from The Medea of Euripides:
Literally Translated Into English Verse
Medea. Nurse. Would the ship Argo ne'er had fetched her flight
Twixt the dark Symplegades to Colchian land, And

the cleft pine in Pelion's woods ne'er fallen, Nor caused the chieftain's hands to row, who went To seek the golden fleece for Pelias, For neither then Medea, mistress mine, Had sailed to the lolchian country's towers, By love for Jason stricken at the heart; Nor, having wrought upon the damsels, race Of Pelias, to slay their sire, had dwelt With husband and with sons in Corinth here, So pleasuring in sooth the citizens About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
