Two war diaries that reveal “just what it was like, day by day, living in a Wehrmacht unit” (Internet Modeler). This book is built around two recently discovered war diaries—one by a member of the 23rd Panzer Division, which served under Manstein in Russia, and the other by a member of Rommel’s Afrika Korps. Together, along with detailed timelines and brief overviews, they comprise a fascinating up-close look at the German side of World War II. The stories are told primarily in the first person present tense, as events occurred, and without the benefit—or liability—of postwar reflection. The first diary,

author unknown, covers April 1942 to March 1943, the momentous year when the tide of battle turned in the East. It first details the unit’s combat in the great German victory at Kharkov, then the advance to the Caucasus, and finally the lethal winter of 1942–43. The second diary’s author was a soldier named Rolf Krenzel, and the diary was the original, handwritten copy. It starts with the beginning of the war and ends shortly after the occupation. Serving primarily in North Africa, Krenzel recounts with keen insight and flashes of humor the day-to-day challenges of the Afrika Korps. During one of the swirling battles in the desert, Krenzel found himself sharing a tent with Rommel at a forward outpost. Neither of the diarists was famous, nor of especially high rank. These are simply the brutally honest accounts written at the time by men of the Wehrmacht who participated in two of history’s most crucial campaigns.

Pastoral Care, or The Book of the Pastoral Rule, is a treatise on the responsibilities of the clergy written by Pope Gregory I in which he contrasted the role of bishops as pastors of their flock with their

position as nobles of the church: the definitive statement of the nature of the episcopal office. Gregory enjoined parish priests to possess strict personal, intellectual and moral standards which were considered, in certain quarters, to be unrealistic and beyond ordinary capacities. The influence of the book, however, was vast and became one of the most influential works on the topic ever written. It was translated and distributed to every bishop within the Byzantine Empire.

In *War-Path and Bivouac*, published in 1890, John Finerty (1846–1908) recalled the summer he spent following George Crook’s infamous campaign against the Sioux in 1876. Historians have long surmised that Finerty’s correspondence covering the campaign for the *Chicago Times* reappeared in its entirety in Finerty’s celebrated book. But that turns out not to be the case, as readers will discover in this remarkable volume. In print at last, this collection of Finerty’s letters and telegrams to his hometown newspaper, written from the field during Crook’s campaign, conveys the full extent of the reporter’s experience and observations during this time of great excitement and upheaval in the West. An introduction and annotations by Paul L. Hedren, a lifelong historian of the period, provide ample biographical and historical background for Finerty’s account. Four times under fire, giving as well as he got, Finerty reported on the action with the immediacy of an unfolding wartime story. To his riveting dispatches on the Rosebud and Slim Buttes battles, this collection adds accounts of the lesser-known Sibley scout and the tortures of the campaign trail, penned by a keen-eyed newsman who rode at the front through virtually all of the action. Here, too, is an intimate look at the Black Hills gold rush and at principal towns like Deadwood and Custer City, captured in the earliest moments of their colorful history. Hedren’s introduction places Finerty not only on the scene in Wyoming,

Montana, and Dakota during the Indian campaign, but also in the context of battlefield journalism at a critical time in its evolution.

Publication of this volume confirms John Finerty’s outsize role in that historical moment.

General George Crook spent his entire military career, with the exception of the Civil War years, on the frontier. Fighting the Indians, he earned the distinction of being the lowest-ranking West Point cadet ever to rise to the rank of major-general. Crook’s autobiography covers the period from his graduation from West Point in 1852 to June 18, 1876, the day after the famous Battle of the Rosebud. Editor Martin F. Schmitt has supplemented Crook’s life story with other material from the general’s diaries and letters and from contemporary newspapers. “When Red Cloud, the Sioux chief, heard of the death of his old antagonist, the Army officer they called Three Stars, he told a missionary, ‘He, at least, never lied to us.’ General Sherman called Crook the greatest Indian fighter and manager the Army ever had. Yet this man who was the most effective campaigner against the Indians had won their respect and trust. To understand why, you ought to read General George Crook: His Autobiography, edited and annotated by Martin F. Schmitt.”—Los Angeles Times “A story straightforward, accurate, and interesting, packed with detail and saturated with a strong western flavor....The importance of this book lies not merely in its considerable contribution to our knowledge of military history and to the intimate and sometimes trenchant remarks made by Crook about his colleagues, but more particularly in the revelation of the character and aims of the general himself.”—Chicago Tribune

As aide-de-camp to Brigadier General George Crook, he had an insider's view of the early Apache campaigns, the Great Sioux War, the Cheyenne Outbreak, and the Geronimo War. Bourke's writings reveal much about military life on the western frontier, but he also was a noted ethnologist, writing extensive descriptions of American Indian civilization and illustrating his diaries with sketches and photographs. Previously, researchers could consult only a small part of Bourke's diary material in various publications, or else take a research trip to the archive and microfilm housed at West Point. Now, for the first time, the 124 manuscript volumes of the Bourke diaries are being compiled, edited, and annotated by Charles M. Robinson III in an easily accessible form to the modern researcher. This fifth volume opens at Fort Wingate as Bourke prepares to visit the Navajos. Next, at the Pine River Agency, he is witness to the Sun Dance, where despite his discomfort at what he saw, he noted that during the Sun Dance piles of food and clothing were contributed by the Indians themselves, to relieve the poor among their people. Bourke continued his travels among the Zunis, the Rio Grande pueblos, and finally, with the Hopis to attend the Hopi Snake dance. The volume concludes at Fort Apache,

Arizona, which is stirring with excitement over the activities of the Apache medicine man, Nakai ' -dokli ' ni, which Bourke spelled Na Kay do Klinni. This would erupt into bloodshed less than a week later. Volume Five is especially important because it is the first in this series to deal almost exclusively with Bourke's ethnological research. Aside from a brief trip to the East Coast, most of the text involves his observations either during the Great Oglala Sun Dance of 1881, or among the pueblos of New Mexico and Arizona. Bourke's account of the Sun Dance is particularly significant because it was the last one held by the Oglalas. The Hopi material in this volume served as the basis of *The Snake Dance of the Moquis of Arizona*, published three years later in 1884, and perhaps his best-known work after *On the Border with Crook*. Extensively annotated and with a biographical appendix on Indians, civilians, and military personnel named in the diaries, this book will appeal to western and military historians, students of American Indian life and culture, and to anyone interested in the development of the American West. *A Father's Legacy to His Daughters*. by John Gregory, M.D. the Sixth Edition Knopf

In 1940s Los Angeles, an unidentified murder victim is found bisected in a shadowy lot. A catchy nickname is given her in jest—"The Virgin Tramp"—and suddenly a "nice little homicide that would have drifted off the front pages in a couple of days" becomes a storm center. Two brothers, Tom and Des Spellacy, are at the heart of this powerful novel of Irish-Catholic life in Southern California just after World War II. Played in the film version by Robert Duvall and Robert De Niro respectively, Tom is a homicide detective and Des is a priest on the rise within the Church. The murder investigation provides the background against which are played the ever changing loyalties of the two brothers. Theirs is a world of favors

and fixes, power and promises, inhabited by priests and pimps, cops and contractors, boxers and jockeys and lesbian fight promoters and lawyers who know how to put the fix in. A fast-paced and often hilarious classic of contemporary fiction, *True Confessions* is about a crime that has no solutions, only victims. More important, it is about the complex relationship between Tom and Des Spellacy, each tainted with the guilt and hostility that separate brothers.

"John Hamilton Gregory was his name. In 1859, in the roadless heart of the Rocky Mountains, he washed four dollars worth of gold from a pan of dirt and turned Denver into a ghost town. Thousands followed in his footsteps -- prospectors, roadbuilders, shopkeepers, farmers, schoolteachers, railroad men -- dreamers all, pouring up Gregory's trace like water rushing through a dike. This is their book -- what they saw and what they named, from Coal Creek to Clear Creek, from Dory Hill to the eastward prairies. It belongs, also, to the unclaimed names and to the dead men with no names. To tepee rings and forgotten trails, to the camping places of the ancient ones. And to the 21st Century. With over 200 photographs, extensive maps and historic information researched from hundreds of sources"--Back cover.

This enhanced eBook edition of *Blue Nights* includes three short films directed

by Griffin Dunne and starring Joan Didion. Each film blends Didion's incisive prose with images and mementos from her daughter's life. From one of our most powerful writers, *Blue Nights* is a work of stunning frankness about losing a daughter. Richly textured with bits of her own childhood and married life with her husband, John Gregory Dunne, and daughter, Quintana Roo, this new book by Joan Didion examines her thoughts, fears, and doubts regarding having children, illness, and growing old. *Blue Nights* opens on July 26, 2010, as Didion thinks back to Quintana's wedding in New York seven years before. Today would be her wedding anniversary. This fact triggers vivid snapshots of Quintana's childhood—in Malibu, in Brentwood, at school in Holmby Hills. Reflecting on her daughter but also on her role as a parent, Didion asks the candid questions any parent might about how she feels she failed either because cues were not taken or perhaps displaced. "How could I have missed what was clearly there to be seen?" Finally, perhaps we all remain unknown to each other. Seamlessly woven in are incidents Didion sees as underscoring her own age, something she finds hard to acknowledge, much less accept. *Blue Nights*—the long, light evening hours that signal the summer solstice, "the opposite of the dying of the brightness, but also its warning"—like *The Year of Magical Thinking* before it, is an iconic book of incisive and electric honesty, haunting and profoundly moving.

Based on his own extraordinary life, Gregory David Roberts' *Shantaram* is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn

what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured. ” An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city ’ s hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city ’ s poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

She spent her life in the movies. Her childhood is still there to see in *Miracle on 34th Street*. Her adolescence in *Rebel Without a Cause*. Her coming of age? Still playing in *Splendor in the Grass* and *West Side Story* and countless other hit movies. From the moment Natalie Wood made

her debut in 1946, playing Claudette Colbert and Orson Welles ’ s ward in *Tomorrow Is Forever* at the age of seven, to her shocking, untimely death in 1981, the decades of her life are marked by movies that – for their moments – summed up America ’ s dreams. Now the acclaimed novelist, biographer, critic and screenwriter Gavin Lambert, whose twenty-year friendship with Natalie Wood began when she wanted to star in the movie adaptation of his novel *Inside Daisy Clover*, tells her extraordinary story. He writes about her parents, uncovering secrets that Natalie either didn ’ t know or kept hidden from those closest to her. Here is the young Natalie, from her years as a child actress at the mercy of a driven, controlling stage mother (“ Make Mr. Pichel love you, ” she whispered to the five-year-old Natalie before depositing her unexpectedly on the director ’ s lap), to her awkward adolescence when, suddenly too old for kiddie roles, she was shunted aside, just another freshman at Van Nuys High. Lambert shows us the glamorous movie star in her twenties—*All the Fine Young Cannibals*, *Gypsy* and *Love with the Proper Stranger*. He writes about her marriages, her divorces, her love affairs, her suicide attempt at twenty-six, the birth of her children, her friendships, her struggles as an actress and her tragic death by drowning (she was always terrified of water) at forty-three. For the first time, everyone who knew Natalie Wood speaks freely – including her husbands Robert Wagner and Richard Gregson, famously private people like Warren Beatty, intimate friends such as playwright Mart Crowley, directors Robert Mulligan and Paul Mazursky, and Leslie Caron, each of whom told the author stories about this remarkable woman who was both life-loving and filled with despair. What we couldn ’ t know – have never been told before – Lambert perceptively uncovers. His book provides the richest portrait we have had of Natalie Wood.

On the Border with Crook e-artnow

The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West. The monumental clash on June 17, 1876, along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse. It set the stage for the battle that occurred eight days later when, just twenty-five miles away, George Armstrong Custer blundered into the very same village that had outmatched Crook. Historian Paul L. Hedren presents the definitive account of this critical battle, from its antecedents in the Sioux campaign to its historic consequences. Rosebud, June 17, 1876 explores in unprecedented detail the events of the spring and early summer of 1876.

Drawing on an extensive array of sources, including government reports, diaries, reminiscences, and a previously untapped trove of newspaper stories, the book traces the movements of both Indian forces and U.S. troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year. Both Indian and army paths led to Rosebud Creek, where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field. Describing the battle from multiple viewpoints, Hedren narrates the action moment by moment, capturing the ebb and flow of the fighting. Throughout he weighs the decisions and events that contributed to Crook ' s tactical victory, and to his fateful decision thereafter not to pursue his adversary. The result is a uniquely comprehensive view of an engagement that made history and then changed its course. Rosebud was at once a battle won and a battle lost. With informed attention to the subtleties and significance of both outcomes, as well as to the fears and motivations on all sides,

Hedren has given new meaning to this consequential fight, and new insight into its place in the larger story of the Great Sioux War.
