If you've been looking for a home-based business, you have undoubtedly come upon business opportunities that are referred to as Network Marketing programs. Also known as Multi-Level Marketing or MLM, Network Marketing is just a way for businesses to distribute their products. Rather than using the usual distribution method that moves from manufacturer to a wholesaler or distributor to retailer and finally to the consumer, Network Marketing companies use independent contractor sales people to sell the products directly. If you are looking to be financially independent, own your own business, have more spare time, work from the comfort of your home, then MLM may be for you to be successful. In the past MLM required a lot of face-to-face meetings and sales presentations which are difficult to produce. The Internet, combined with Network Marketing, has created countless opportunities for individuals to develop their own business, working from home. The real ways to make a great deal of

money in MLM is by recruiting a team of other independent marketers below you, and thus earn a percentage of their combined sales. This new groundbreaking book will show you how to build a successful business with MLM by harvesting the power of the Internet. In this easy-to-read and comprehensive new book, you will learn what MLM is, how to get people talking about your product or service, how to get your customers to be your sales force, recruiting, goal setting and managing time, getting customers to come to you, getting your MLM message out quickly, creating awareness, working with bloggers and online activists, marketing, dealing with negative customer experience, automating MLM writing online press releases, creating a blog, creating a customer references and referral programs, starting a fan club/loyalist community, and setting up discussion forums and boards. You will learn to use affiliate marketing, flogs, viral marketing, evangelism, buzz marketing, online MLM methods, reputation management. In addition, we went the extra mile and spent an unprecedented amount of time researching, interviewing, e-mailing, and communicating with hundreds of today's most successful MLM marketers. Aside from learning the basics you will be privy to their secrets and proven successful ideas. Instruction is great, but advice from experts is even better, and the experts chronicled in this book are earning millions. If you are interested in learning essentially everything there is to know about MLM in addition to hundreds of hints, tricks, and secrets on how to put MLM marketing techniques in place and start earning enormous profits, then this book is for you. For example, the findings refute the common assertion that work tasks can be categorized into "instrumental," or task activities, versus "caretaking," or people-oriented activities. It is shown that, regardless of the type of job, tasks are accomplished through the

management of relationships. Other findings show that workers devise ingenious methods for maintaining dignity in the face of blatant oppression, a conclusion neglected in traditional studies of work where prestige hierarchies are presumed to affect workers' feelings about themselves. This book integrates findings from qualitative studies of women's work experiences in 13 occupations. The methods for gathering the data include participant observation, unstructured interviews, analysis of diaries, and review of historical documents. These methodologies permit unanticipated patterns to emerge from the data. Hence, *The Worth of Women's Work* not only presents new insights into women's work experiences, but simultaneously takes a much-needed step in developing a framework for integrating qualitative research. **America More than Average Income Ages 12 to 70** Greenwood Publishing Group In this candid autobiography, Amway cofounder Rich DeVos reflects on work, faith, family, and the core values he's held on to, from his humble Christian upbringing through his enormous success running one of the world's largest businesses. Few people embody the American entrepreneurial spirit as plainly as Rich DeVos. A prominent businessman, self-made billionaire, philanthropist, worldwide speaker, bestselling author, family man, and devout Christian, DeVos not only helped create Amway, one of the world's biggest companies, but he did it from the ground up with his deep faith in God guiding the way and keeping his hopes alive. Now after the success of his bestselling books in business, DeVos reveals his personal story. Born to poor Dutch immigrants in rural Michigan during the Depression, DeVos learned about the importance of leadership and partnership. His grandfather, father, and teachers taught him valuable lessons and key principles about faith, optimism, and perseverance that would guide his entire life. In high school, he befriended Jay Van Andel, who later became his

business partner. Together, they created a whole new way to sell products and established one of the largest, most successful companies in the world. DeVos also talks about his marriage and family, his experiences as a motivational speaker, his ownership of the NBA basketball team Orlando Magic, and his philanthropic, religious, and political endeavors. Inspiring, fascinating, and full of heart, *Simply Rich: Life and Lessons from the Cofounder of Amway* is the astonishing rags-to-riches story that few can tell.

Through his amazing accomplishments as both a businessman and generous soul, DeVos reveals the true meaning of success and how his deep faith helped him become a true American icon.

June Valladares is one of the rare persons on the contemporary business-writing scene who is genuinely inter-disciplinary in her approach... To my mind, she has opened up some chambers and given the readers some glimpses of what is inside' - Jerry Rao, CEO
Mphasis 'Where do ideas come from? The conscious? The subconscious? A plate of chocolate doughnuts?... A very good place to start looking is June Valladares' elegantly simple book, a great, great idea

if there ever was one' - Freddy Birdy, 11 times Copywriter of the Year
What are ideas? Who needs ideas? How do we get ideas? This fascinating book deliberates on the very idea of ideation. It illustrates ways to tap into a sustained flow of good, solid ideas-ideas that will help in both, our personal and professional lives. It introduces not only an altogether new way of thinking and living but, more significantly, prompts each one of us to delve deep into our self so that we can discover that creative spark within us. Combining elements from diverse realms like psychology, sociology, religion, philosophy and spirituality, this book highlights simple qualities like imagination, patience, silence, faith... Through this route June A Valladares arrives at an even simpler truth: Creativity is intrinsic to us all. It's just that we often overlook the very instances that lead us to it. This absorbing book is designed to help each one of us ideate better than we already do. Anecdotal, thoughtful and elegantly written, this book is a must read for everyone who believes in the power of ideas.
