The Divine pattern touches every aspect of our lives and holds the key to joy, peace and harmony within our marriages, communities, churches and all social structures within our world. In the relationship between God and His Son, we behold the key to this divine pattern. The more and more we behold them, love them and pattern our lives after them, the more receptive we become to their channel of blessing in our lives. Before this world began, Satan and his angels moved to obscure the divine pattern and replace it with a counterfeit that would break the circuit of God's boundless love and bring untold misery to the world. Uncover this deceptive counterfeit and see, in the great original divine pattern the key for returning our church to the worship of God and His Son.

Joel 2:25, 26 (KJV) says, "And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you. And ye shall eat in plenty, and be satisfied, and praise the name of the LORD your God, that hath dealt wondrously with you: and my people shall never be ashamed." You may find the past years of your life wasted and consumed by your own sin and the sin perpetrated against you by others. Yet, as through a metamorphous, the caterpillar becomes a butterfly, so God provides a supernatural metamorphous, a transformation (metamorphoo in Greek), which can take place. Through the prophet Joel, God actually promises to utilize your past devastation in such a way so as to transform the loss of the past to profit. The butterfly does not even remember being a caterpillar. Nor will you even lament your devoured and wasted years. The Lord will cause your future to be fruitful in amazing ways. The caterpillar begins as a devourer, but becomes a useful and fruitful butterfly, an insect that has a productive purpose. God spoke this verse to the author of this book, my husband Larry, shortly after he met Jesus in 1979. Larry had been lamenting his past wasted years. Now, years later, he can testify to the truth and fulfillment of this promise. This book presents some practical tools along with powerful truths for the healing of your inner and invisible wounds that may have come upon you by your sin and the sin of others. God's healing will make you a free person, able to "fly" and be fruitful as depicted by the butterfly on the front cover. Carol Chkoreff January 2009

This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite preaching filled the asylums, and so forth.

Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate Me; and shewing mercy unto thousands of them that love Me, and keep My commandments.

In the first meeting of the Relief Society, Sister Emma Smith said, "We are going to do something extraordinary." She was right. The history of Relief Society is filled with examples of ordinary women who have accomplished extraordinary things as they have exercised faith in Heavenly Father and Jesus Christ. Relief Society was established to help prepare daughters of God for the blessings of eternal life. The purposes of Relief Society are to increase faith and personal righteousness, strengthen families and homes, and provide relief by seeking out and helping those in need. Women fulfill these purposes as they seek, receive, and act on personal revelation in their callings and in their personal lives. This book is not a chronological history, nor is it an attempt to provide a comprehensive view of all that the Relief Society has accomplished. Instead, it provides a historical view of the grand scope of the

work of the Relief Society. Through historical accounts, personal experiences, scriptures, and words of latter-day prophets and Relief Society leaders, this book teaches about the responsibilities and opportunities Latter-day Saint women are given in Heavenly Father's plan of happiness.

Members of the Church of Jesus Christ of Latter-day Saints view the Book of Mormon as scripture written by ancient prophets, while critics believe that it is a 19th-century fraud. The 15 essays in *Book of Mormon Authorship Revisited* present the latest research by LDS scholars on the question in an effort to demonstrate that the weight of scholarly evidence is on the side of authenticity. Part 1 contains essays dealing with accounts of how the book was produced in 1829 and 1830, with emphasis on the translation process and the witnesses who saw the plates. Part 2 takes a look at the logical structure of the authorship debate and reviews the history of alternative theories and criticisms of the Book of Mormon. Part 3 presents textual studies that demonstrate the plausibility of the Book of Mormon as an ancient book, and part 4 updates scholars' attempts to understand the ancient cultural and geographic setting of the book in both the Old and New Worlds.

I have often found myself chasing this treasure of memories. I recently traveled to a place I lived

when I was a child and I just soaked up the sights and the sounds, visited my old home and relived the memories. Memories of Dad and Mum, my sister and I, sitting around the lounge, memories of going running with my Dad, memories of playing with my friends in the creek, climbing trees and riding bikes. I know that the memories are slightly 'rose glass tinted' and there is an incredibly strong bias to only remember the good times, but it feels so good and satisfying. Building and protecting this kind of treasure safeguards the health of communities and gives hope to generations yet to emerge. The treasures of love and affection, sweet memories laid down in family rituals and experiences are the fabric of life. Without this treasure, life has no heart and soul and is reduced to the drudgery of survival. Without a series of warm memories connected to special relationships - life is meaningless. No person can centre and stabilise themselves without some place they can point to with warmth and call home.

A Doctrinal Catechism BRILL

Examining sites that are familiar to many modern tourists, Valerie Warrior avoids imposing a modern perspective on the topic by using the testimony of the ancient Romans to describe traditional Roman religion. The ancient testimony recreates the social and historical contexts in which Roman religion was practised. It shows, for example, how, when confronted with a foreign cult, official traditional religion accepted the new cult with suitable modifications. Basic difficulties, however, arose with regard to the monotheism of the Jews and Christianity. Carefully integrated with the text are visual representations of divination, prayer, and sacrifice as depicted on monuments, coins, and inscriptions from public buildings and homes throughout the Roman world. Also included are epitaphs and humble votive offerings that illustrate the piety of individuals, and that reveal the prevalence of magic and the occult in the spiritual lives of the ancient Romans.

How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it? With new religious cults springing up almost daily and old ones growing rapidly, this is more and more common. How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years? James Sire, author of *The Universe Next Door* and *How to Read Slowly*, has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible. He covers the full range

from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another, mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view. Sire also handles twisted translation, overspecification, virtue by association, ignoring the context and other flawed interpretations. A book to help us all become better readers of the Scriptures.
