Charming Coraline is hired as the private tutor to the young son of rich landlords. Her mission is to entertain her too studious pupil, Vernère. He is only a child, but one with a brilliant and indefatigable mind solely focused on books and inventions. To top it off, he is quite unpleasant. Coraline nonetheless tries to understand him while gradually discovering the strange and surprising universe of the mansion, whose nocturnal ambiance seems so amenable for very strange dreams... Muse is a lyrical and

titillating ride through reverie and nostalgia, drawn by comics superstar Terry Dodson (Marvel's "Uncanny X-Men," DC's "Harley Quinn").

FurPlanet Productions

Dark fantasies of beautiful women in peril and ravenous beasts that hunger for their naked flesh, this is Shadowlust. In the black depths of unhallowed dungeons and the eternal gloom of primeval jungles, the creatures of shadow hunt. Woe to she who finds herself at the mercy of the shadow folk. Can she struggle to break the cruel bonds of her captors, or will she surrender and yield her trembling body to their dark lusts? Shadowlust contains 48 pages, filled with full-color artwork and dark vignettes of erotic peril. Do you have the courage to brave the forbidden paths and explore the dark fantasies of Shadowlust?

Shadowlust Humanoids, Incorporated

In tribute to the many splendors of human sexuality, The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious profiles over 40 of the wildest and woolliest sexual proclivities you'll ever find, even on the internet. The human race is a species of inventors. In our few millennia of existence, we've created fire, the wheel, the printing press, vaccines, and the internet. But never is our creativity more evident than when it comes time to reproduce. For nature lovers, there's Dendrophilia (you know, tree hugging). For car people, there's the Automotive Fetish. And for those people who love stuffed animals...you'll just have to look inside. Each entry in this one-of-a-kind encyclopedia explores the psychological underpinnings, important logistics, and typical fantasies associated with the deviance in question. For the aspiring deviant, there's even a list of useful accoutrements. Hysterical and astonishingly thorough, The Deviant's Pocket Guide is the only reference book you'll ever need.

Totally Spies #1: The O.P. DC Comics

Inspired by the romantic misadventures she's witnessed in her own family, Cynthia Ceilán

takes us jauntily through real-life stories about love: what demented things we do in the name of love, the wildly unusual choices people have made in their selection of a mate, and the joys and horrors of saying goodbye to a relationship that has long overstayed its welcome. In her fact-finding mission to write this collection, Cynthia Ceilán began in the bowels of her own family history, which always seemed unnecessarily shrouded in mystery. There she discovered a treasure trove of delightfully wicked secrets, which spurred her on to create this collection of true stories from around the world. Here's some of what she found:

"Normal" is in the eye (and the bedsprings) of the beholder, especially when it comes to furies, objectophiles, and happily married conjoined twins. Same-sex marriage is illegal in most countries but a few are happy to let you marry your dog. You shouldn't be afraid to invite your crazy relatives to your wedding - unless your brothers are Scott, Erik, Aaron, Ryan, and Randall and they're currently out on bail. Weirdly Beloved offers comforting proof that there is never only one way to fall in love, or one way to be properly married, or one way to suffer the necessary indignities of love gone wrong.

My Master is a Naga Gorgias PressLlc

A somewhat fantastical and bizarre story of desperation as one confused man is pushed, out of nowhere, to a land full of monsters and perils, and he only having his wits to survive.

Sin becker&mayer! Books
