Until the Last Man Comes Home Canary Press eBooks

' The crime czar of the Scottish small town!' Val McDermid On a clear, moonlit night, DCI Kelso Strang stepped outside the bothy on Suilven and heard, faint but unmistakable, the howl of a wolf. An unsettling sound, but not the only unsettling thing about the remote township of Inverbeg, where he is taking a break with an old army friend. Sean Reynolds is obsessive about rewilding his Auchinglass estate and there are rumours that he ' s taken illicit steps to hurry that on, to the anger of the local farmers. There are other tensions too. An elderly lady had died some months before, officially in a tragic stumble off a cliff path but she was a woman burdened with many secrets and her closest friend believes her death was not an accident, but retribution.

None Like Him Baker Books

Fewer Americans were captured or missing during the Vietnam War than in any previous major military conflict in U.S. history. Yet despite their small

numbers, American POWs inspired an outpouring of concern that slowly eroded support for the war. Michael J. Allen reveals how wartime loss transformed U.S. politics well before, and long after, the war's official end. Throughout the war's last years and in the decades since, Allen argues, the effort to recover lost warriors was as much a means to establish responsibility for their loss as it was a search for answers about their fate. Though millions of Americans and Vietnamese took part in that effort, POW and MIA families and activists dominated it. Insisting that the war was not over "until the last man comes home," this small, determined group turned the unprecedented accounting effort against those they blamed for their suffering. Allen demonstrates that POW/MIA activism prolonged the hostility between the United States and Vietnam even as the search for the missing became the basis for closer ties between the two countries in the 1990s. Equally important, he explains, POW/MIA families' disdain for the antiwar left and contempt for federal authority fueled the conservative

---

ascendancy after 1968. Mixing political, cultural, and diplomatic history, *Until the Last Man Comes Home* presents the full and lasting impact of the Vietnam War in ways that are both familiar and surprising.

*An American Commentary on the Old Testament* Bantam

The Showa Teihon Nichiren Shonin Ibun (Writings of Nichiren Shonin standardised in the Showa period) compiled by the Rissho Daigaku Nichiren Kyogaku Kenkyu Jo (Center for the Study of Nichiren Buddhism) in four volumes and published by Kuonji Temple in 1952-1959 are considered the most authoritative collection of Nichiren Shonin's writings. Because of the difficulty of reading Nichiren Shonin's original writings, the Nichiren Shonin Zenshu (Complete Writings of Nichiren Shonin) were published in 1992 and 1996 to provide access for everyone in an easy-to-read modern Japanese form. In 2000, the Nichiren Overseas Propagation Promotion Association began the English translation of the 7-volume Nichiren Shonin Zenshu. Although this work is titled as the complete writings, it only contains the writings that are considered bibliographically authentic in light of modern scholarship. There are a few writings included in the 7 volumes that are of questionable authenticity; these are specifically indicated in their introductions. Volumes 1-5 are already available available.

*Shadowed (Sins of the Past Collection)* Bantam

Throughout the history of Christianity, lesbian, gay, bisexual and transgender ("LGBT" or "queer") people have been condemned as unrepentant sinners who are in dire need of

God's saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional and physical abuse and violence. This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth, in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book will serve as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century.

Blackout (Sins of the Past Collection) Baker Books

“ ONE OF THE MOST INTENSE SUSPENSE WRITERS AROUND. ” —CHICAGO

TRIBUNE #1 New York Times bestselling author Tami Hoag delivers a double shot of suspense in these two adrenaline-charged classic thrillers offered together in one powerful volume.

NIGHT SINS A peaceful Minnesota town is about to face its worst nightmare. A young boy disappears and the only clue is a note—taunting and casually cruel. Has a cold-blooded kidnapper struck? Or is this the reawakening of a long-quiet serial killer? For a tough-minded investigator, it ' s her first make-or-break case. For a local cop, it ' s the fear that big-city evil has come to stalk his small-town home. Together they ' ll hunt a madman who knows no bounds and for whom no sin is forbidden. “ Nerve-shattering, explosive entertainment, and should not be missed by anyone who reads for the thrill of it. ” —Michael Palmer

GUILTY AS SIN A psychopath has been playing a twisted game with a terrified Minnesota town. Now a respected member of the community stands accused of a chilling act of evil. But when a second boy vanishes, a frightened public demands to know if the police have caught the wrong man. Is the nightmare continuing . . . or just beginning? Prosecutor Ellen North believes she has the right man—but that he has an accomplice in the shadows. Ellen suddenly finds herself swept into a cruel contest of wits, a dark game of life and death . . . with an evil mind as guilty as sin. “ A chilling study of evil that holds the reader until the shocking surprise ending. ” —Phillip

Margolin

Metropolitan Pulpit Lulu.com

Women from a wealthy suburb are dead - hunted by a ruthless serial killer. Private investigator Riley Sullivan must battle her own emotional demons to untangle the web of lies created by the residents of Little Rock's most upscale neighborhood, find a serial killer, and keep herself from becoming the final victim.

Regeneration Crossway

Stay-at-home mom Kate Martinez's life is turned upside down when her husband Diego is stabbed to death, leaving her with no means to support their toddlers. Detectives Cooper and White are put on the case, and their only lead is the unusual knife left at the crime scene. Kate insists neither Diego nor she have any enemies. But Diego may have more enemies than Kate thinks; he was once a member of a vicious gang and kept this a secret. When Kate discovers his lies, she's devastated and turns to Trevor, a man she once dated who's become a friend. Little does she know that Trevor, too, used to be a member of a brutal gang named the Aryan Brotherhood---which happens to be a rival to her husband's gang. Not only that, Trevor has an agenda of his own. By the time Kate figures it all out, it may be too late. NOTE: This is the SECOND edition of SINS OF THE PAST. It has a brand-new prologue, two new chapters, and a key plot change. Other than that, the story, while much tighter, is still the same.

Sins of the Fathers TAN Books

Popular Bible teacher and host of the Gospel Truth broadcast, Andrew Wommack takes on one of the biggest controversies of the church, the freedom of God's grace verses the faith of the believer.

Wommack reveals that God's power is not released from only grace or only faith. God's blessings come through a balance of both grace and faith. Addressing many of the misconceptions believers are taught in the Church today, this book opens up the Scriptures revealing the vital connection between grace and faith. Many believers think they walk in both grace and faith when actually they are misusing one or both of these principles. Wommack addresses: \* Some believers willingly sin believing Gods grace will cover them, while the blessing of grace is not to sin, but to release guilt and condemnation when they make a mistake. \* Other believers think they must "work" their faith by ritualistic prayer, confession, or Bible study. Although all these things are good, Jesus Christ set believers free from works of the law. God wants a relationship where He can communicate directly to

---

each believer. \* Grace and faith work together. When believers receive the unmerited favor or grace of God, they can release their faith without doubt or reservation and receive God's blessings. Andrew Wommack in his logical, practical style brings believers back on track in their Christian walk through living in the balance of grace and faith.

[Holman Old Testament Commentary - Ezra, Nehemiah, Esther](#) Good Press

Detective Elise King investigates a man's disappearance in a seaside town where the locals and weekenders are at odds in this rich and captivating new novel from the New York Times bestselling author of *The Widow*. Elise King is a successful and ambitious detective—or she was before a medical leave left her unsure if she'd ever return to work. She now spends most days watching the growing tensions in her small seaside town of Ebbing—the weekenders renovating old bungalows into luxury homes, and the locals resentful of the changes. Elise can only guess what really happens behind closed doors. But Dee Eastwood, her house cleaner, often knows. She's an invisible presence in many of the houses in town, but she sees and hears everything. The conflicts boil over when a newcomer wants to put the town on the map with a weekend music festival, and two teenagers overdose on drugs. When a man disappears the first night of the festival, Elise starts digging for answers. Ebbing is a small town, but it's full of secrets and hidden connections that run deeper and darker than Elise could have ever imagined. *Missing (Sins of the Past Collection)* Penguin

Now, after so many years, the people still remember, they still hurt for the nightmares that hunt them, and every moment of everyday pray for those sins to be buried in the past. *Blessed with Sin* is about the consequences of the sins committed, now more than ever as the nightmares begin again, and the people want answers. One man from the past comes, brought on by different circumstances, and begins to uncover a far too deep nightmare he never thought it could be in the place he grew up.

*Twentieth Century Standard Puzzle Book*  
HMH

*World Serial Killers II* investigates 50 chilling cases of serial killers across the globe. These men are guilty of some of the most depraved crimes ever committed. Men such as: Gary Ridgway, the Green River Killer, who murdered so many times he lost count; The Werewolf, Russian Mikhail Popkov, who killed women with knives and axes at night while serving as a police officer during the day; or Tsutomu Miyazaki, The Japanese Vampire, who murdered young girls in Tokyo and preserved their body parts as trophies; or the cannibal Nikolai Dzhumagaliev known as Metal Fang who brought terror to Kazakhstan with his appetite for eating his victims. Some are notorious killers while others are more obscure, but all are guaranteed to make your blood run cold. Capturing their essence country by country, *World Serial Killers II* travels across America through Europe and Russia to the Far East and south to India, Australia and South Africa. Visiting far flung corners of the world where sometimes monstrous crimes such as these go unreported. Fans of Netflix true crime documentaries such as *Making a Murderer* or *I am a Killer*, and true crime podcasts like *Murder Book* or *Crime Junkie* will also like *World Serial Killers II*, a compendium packed with pure evil which explores the twisted imaginations of those who love to kill and who just can't stop.

*The Seven Sins of Memory* WestBow Press  
*White Space Is Not Your Enemy* is a practical graphic design and layout guide that introduces concepts and practices necessary for producing effective visual communication across a variety of formats—from web to print. Sections on Gestalt theory, color theory, and WET layout are expanded to offer more in-depth content on those topics. This new edition features new covering

---

current trends in web design—Mobile-first, UI/UX design, and web typography—and how they affect a designer's approach to a project. The entire book will receive an update using new examples and images that show a more diverse set of graphics that go beyond print and web and focus on tablet, mobile and advertising designs.

[This Is the Faith](#) Bloomsbury Publishing USA

This Is the Faith covers everything the convert or inquirer needs to know about the Catholic faith, and does so with a thoroughness that is at once completely satisfying, but never trying. Moreover, its approach is always dignified, reverent and commanding of respect. The result is that the reader will garner a true picture of the reasonableness, thoroughness and beauty of the Catholic religion that - with grace - will all but guarantee the assent of his will if he approaches the book with honesty and integrity. This book belongs in every Catholic home. It is unparalleled as a review, as a catch-up course for the poorly informed, or as an introduction to the truth of the Catholic Faith for converts. Great, sadly needed and destined to do great good in our time!

World Serial Killers II BalboaPress

Human beings were created to reflect the image of God—but only to a limited extent. Although we share important attributes with God (love, mercy, compassion, etc.), there are other qualities that only God possesses, such as unlimited power, knowledge, and authority. At the root of all sin is our rebellious desire to be like God in such ways—a desire that first manifested itself in the garden of Eden. In None Like Him, Jen Wilkin leads us on a journey to discover ten ways God is different from us—and why that's a good thing. In the process, she highlights the joy of seeing our limited selves in relation to a limitless God, and how such a realization frees us from striving to be more than we were created to

be.

The Gospel According to Mark Allison & Busby Ltd

A young woman once implicated in a robbery gone wrong finds herself at risk years later when the real culprit is up for parole. The loot taken that night has never been found and he believes she knows where it's hidden--only her memory of that night has always been unreliable. Can she remember enough to find her way to safety?

The Island of Missing Trees Baker Books

A New York Times Notable Book: A psychologist's "gripping and thought-provoking" look at how and why our brains sometimes fail us (Steven Pinker, author of *How the Mind Works*). In this intriguing study, Harvard psychologist Daniel L. Schacter explores the memory miscues that occur in everyday life, placing them into seven categories: absent-mindedness, transience, blocking, misattribution, suggestibility, bias, and persistence. Illustrating these concepts with vivid examples—case studies, literary excerpts, experimental evidence, and accounts of highly visible news events such as the O. J. Simpson verdict, Bill Clinton's grand jury testimony, and the search for the Oklahoma City bomber—he also delves into striking new scientific research, giving us a glimpse of the fascinating neurology of memory and offering "insight into common malfunctions of the mind" (*USA Today*). "Though memory failure can amount to little more than a mild annoyance, the consequences of misattribution in eyewitness testimony can be devastating, as can the consequences of suggestibility among preschool children and among adults with 'false memory syndrome' . . . Drawing upon recent neuroimaging research that allows a glimpse of the brain as it learns and remembers, Schacter guides his readers on a fascinating journey of the human mind." —*Library Journal* "Clear, entertaining and provocative . . . Encourages a new appreciation of the complexity and fragility of memory." —*The Seattle Times* "Should be required reading for police, lawyers,

---

psychologists, and anyone else who wants to understand how memory can go terribly wrong. ” —The Atlanta Journal-Constitution  
“ A fascinating journey through paths of memory, its open avenues and blind alleys . . . Lucid, engaging, and enjoyable. ” —Jerome Groopman, MD “ Compelling in its science and its probing examination of everyday life, The Seven Sins of Memory is also a delightful book, lively and clear. ” —Chicago Tribune Winner of the William James Book Award

### White Space Is Not Your Enemy XO

Publishing

Three Novellas from Bestselling Authors In Dee Henderson's *Missing*, a Wyoming sheriff is called to Chicago when his elderly mother goes missing. Paired with a savvy Chicago cop, the two realize her disappearance is no accident, and a race against the clock begins.

Dani Pettrey returns to Alaska with *Shadowed*, introducing readers to the parents of her beloved McKenna clan. Adventure, romance, and danger collide when a young fisherman nets the body of an open-water swimming competitor who may actually be a possible Russian defector. Lynette Eason's *Blackout* delivers the story of a woman once implicated in a robbery gone wrong. The loot has never been found--but her memory of that night has always been unreliable. Can she remember enough to find her way to safety when the true culprit comes after her?

Past Sins Church Publishing, Inc.

Patricia St John gives six reasons why "Israel missed God's Rest"--six "small," respectable sins that kept them out of the promised land. The last chapter is devoted to "the remedy"--the way into rest for all of God's children.
