David Baldacci delivers a moving, family drama about learning to love again after terrible heartbreak and loss in this classic New York Times bestseller—soon to be a Hallmark original movie. It's almost Christmas, but there is no joy in the house of terminally ill Jack and his family. With only a short time left to live, he spends his last days preparing to say goodbye to his devoted wife, Lizzie, and their three children. Then, unthinkable, tragedy strikes again: Lizzie is killed in a car accident. With no one able to care for them, the children are separated from each other and sent to live with family members around the country. Just when all seems lost, Jack begins to recover in a miraculous turn of events. He rises from what should have been his deathbed, determined to bring his fractured family back together. Struggling to rebuild their lives after Lizzie's death, he reunites everyone at Lizzie's childhood home on the oceanfront in South Carolina. And there, over one unforgettable summer, Jack will begin to learn to love again, and he and his children will learn how to become a family once more.

Paper Panda, aka Louise Firchau, is a papercutting superstar, with thousands of fans worldwide eager to purchase her distinctive and highly sought after papercut designs. In this gorgeous book, she shows you not only how its done in easy-to-follow steps, but also provides over 20 papercutting templates to try out for yourself. The book begins with a design section in which Paper Panda provides a personal account of what inspires her, how she works, and how Paper Panda came about. This is followed by the techniques section, in which step-by-step demonstrations illustrate various techniques, including infilling. There follows a fascinating insight into how the author creates finished artwork suitable for papercutting, then how to make the template itself, and how to use the finished papercut to make cards, framed pictures, and so on. There are 20 papercut projects in the book; five from Paper Panda herself and five each from three of Paper Pandas friends and colleagues (Sarah Trumbauer, Louise Dyer and Suzy Taylor) all accomplished papercutters in their own rights. Each project consists of a template, which is reproduced at full-size at the back of the book, and a finished paper cut, together with some simple instructions. The designs are simple enough for beginners, though attractive and interesting enough to inspire more advanced papercutters. The projects themselves include cards, decorations, and mounted and framed pictures to hang on the wall, all using a variety of coloured and patterned papers to show off Paper Panda and friends distinctive and beautiful designs to their best advantage.
