As one of the many installments in Jules Verne's Voyage Extraordinaire series, Journey to the Center of the Earth promises high stakes and thrilling adventure. When Professor Otto Lidenbrock bought an ancient runic manuscript, which chronicles the lives of Norwegian Kings, he did not expect to learn of anything but the history of Icelandic leaders. However, upon further inspection,

Lidenbrock and his nephew, Axel, find that the manuscript includes a coded message written by a 16th century alchemist. After rigorous translating and decoding, Axel and Lidenbrock discover the content of the note, in which the author reveals that it is possible to travel to the center of the Earth through volcanic passages. When Lidenbrock heard the news, he immediately started preparations to start the journey, though Axel was skeptical. When Lidenbrock's will proves to be more powerful than his nephew's doubt, the two decide to make the journey, recruiting an Icelandic tour guide named Hans on the way. As the three men make their way to inactive volcanic tubes, they embark on a high-stake adventure, facing dangers of cave-ins, subpolar tornados, an underground ocean and prehistoric creatures. The three men stay

strong in their adventure, knowing the risky journey promises superior knowledge and acclaim, granted that they make it out alive. With the combination of science fiction and the adventure genre, Jules Verne created a novel that captures the attention of his audience. Originally published in 1864, Journey to the Center of the Earth still provides modern readers with entertainment and insight with its detailed and imaginative prose. Journey to the Center of the Earth can be read independently or as a companion to the other titles of Jules Verne's critically acclaimed series, Voyage Extraordinaire. This edition of Journey to the Center of the Earth by Jules Verne now features an eye-catching cover design and is printed in a stylish and readable font, crafting an assessible and pleasant reading experience for modern

audiences.

Jaime is sitting on his bed drawing when he hears a scream. Instantly, he knows: Miguel, his cousin and best friend, is dead. Everyone in Jaime's small town in Guatemala knows someone who has been killed by the Alphas, a powerful gang that's known for violence and drug trafficking. Anyone who refuses to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There's only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, *The Only Road* is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. The story is “told with heartbreaking honesty,” *Booklist* raved, and “will bring readers face to face with the harsh realities immigrants go through in the hope of finding a better, safer life, and it will likely cause them to reflect on what it means to be human.”

Los cañones del atardecer SALAMANDRA  
The rich, complex theory of affect regulation boiled down into a clinically useful guide. Affect regulation theory—the science of how humans regulate their emotions—is at the root of all psychotherapies. Drawing on attachment, developmental trauma, implicit processes, and neurobiology, major theorists from Allan Schore to Daniel Stern have argued how and why regulated affect is key to our optimal functioning. This book translates the intricacies of the theory into a cogent clinical synthesis. With clarity and practicality, Hill decodes the massive body of contemporary research on affect regulation, offering a comprehensible and ready-to-implement model for conducting affect regulation therapy. The book is organized around the four domains of a clinical model: (1) a theory of bodymind; (2) a theory of

optimal development of affect regulation in secure attachment relationships; (3) a theory of pathogenesis, in which disordered affect regulation originates in relational trauma and insecure attachment relationships; and (4) a theory of therapeutic actions targeted to repair the affect regulating systems. The key themes of Hill's affect-focused approach include: how and why different patterns of affect regulation develop; how regulatory patterns are transmitted from caretakers to the infants; what adaptive and maladaptive regulatory patterns look like neurobiologically, psychologically, and relationally; how deficits in affect regulation manifest as psychiatric symptoms and personality disorders; and ultimately, the means by which regulatory deficits can be repaired. Specific chapters explore such subjects as self states, mentalization, classical and modern attachment theory, relational trauma (and its manifestations in chronic dissociation, personality disorders, and pervasive dissociated shame), supporting self-development in therapy, patient – therapist attunement, implicit and explicit therapeutic actions, and many more.

¿Estás interesado en el Macramé?  
¿Desea instrucciones detalladas paso a paso con muchas fotos para crear resultados sobresalientes? ¿también te gustaría ganar algo y quizá convertir un pasatiempo en un trabajo? Si es así, ¡este es el libro adecuado para ti! Macramé es el procedimiento de fabricación basado en anudar en lugar de tejer. Es una palabra francesa que significa "nudo", y está en la lista de las primeras formas de arte existentes. La belleza del Macramé como un arte vintage ha sobrevivido a la extinción durante siglos y ha continuado prosperando como una técnica de elección para hacer artículos simples pero sofisticados, simplemente no tiene rival. El simple hecho de que hayas decidido leer este manual significa que estás en camino de hacer algo grandioso. Realmente existe un cierto sentimiento de satisfacción sin igual que surge de la elaboración de tu propia obra maestra. La regla más importante en el Macramé es la máxima: "La práctica hace la perfección". Si deja de practicar constantemente, es probable que tus habilidades se deterioren con el tiempo. Por lo tanto, manten tus habilidades afiladas, ejercita las partes creativas de tu cerebro y sigue creando alucinantes obras maestras hechas a mano. Las joyas y los accesorios de moda hechos incluso con los nudos Macramé más básicos son siempre una belleza para la vista, por lo tanto, sirven como

regalos perfectos para tus seres queridos en ocasiones especiales. Al presentar un brazalete Macramé a alguien, por ejemplo, se transmite el mensaje de que no solo te acordaste de darle un regalo, sino que también lo atesoras tanto que decidiste invertir tu tiempo en crear algo único, especialmente para él, y créeme, ese es un mensaje muy poderoso. Sin embargo, lo más hermoso del Macramé es quizá el hecho de que ayudas a crear artículos duraderos. Por lo tanto, puedes conservar durante muchos años una pieza de decoración o un accesorio de moda que hayas hecho para ti mismo, disfrutar del valor y sentirte nostálgico cada vez que recuerdes cuándo lo hiciste. Incluso se siente mejor cuando haces dicho artículo con alguien. Esta característica de durabilidad también hace que los accesorios Macramé sean regalos increíblemente perfectos. Este Libro Incluye Tipos de nudos Macramé Instrucciones detalladas paso a paso con muchas fotos para crear resultados sobresalientes Joyas y Accesorios de moda únicos y elegantes Proyectos de decoración de Hogar y Jardín "DIY" (Hazlo Tu Mismo, por sus siglas en inglés) en Macramé ...Y MUCHO MÁS!! El Macramé también puede servirte como una vía para comenzar la pequeña empresa de tus sueños. Después de perfeccionar tus habilidades con Macramé, puedes vender tus artículos cómodamente y recibir un buen pago por tus productos, especialmente si puedes hacer perfectamente artículos como pulseras que la gente compra mucho. Incluso podrías capacitar a

las personas y comenzar tu propia pequeña empresa que fabrica accesorios de moda Macramé a medida. Las oportunidades que presenta Macramé son realmente infinitas. Entonces, mantente alerta, sigue practicando y sigue mejorando. ¡Bienvenido a un mundo de infinitas posibilidades! ¡Deja de leer, comienza a hacer! ¡OBTÉN TU LIBRO AHORA!
