Down Under, Or, In a Sunburned Country Allen & Unwin

Upon publication, the first volume of Anne Lister's diaries, *I Know My Own Heart*, met with celebration, delight, and some skepticism. How could an upper class Englishwoman, in the first half of the nineteenth century, fulfill her emotional and sexual needs when her sexual orientation was toward other women? How did an aristocratic lesbian manage to balance sexual fulfillment with social acceptability? Helena Whitbread, the editor of these diaries, here allows us an inside look at the long-running love affair between Anne Lister and Marianna Lawton, an affair complicated by Anne's infatuation with Maria Barlow. Anne travels to Paris where she discovers a new love interest that conflicts with her developing social aspirations. For the first time, she begins to question the nature of her identity and the various roles female lovers may play in the life of a gentrywoman. Though unequipped with a lesbian vocabulary with which to describe her erotic life, her emotional conflicts are contemporary enough to speak to us all. This book will satisfy the curiosity of the many who became acquainted with Lister through *I Know My Own Heart* and are eager to learn more about her revealing life and what it suggests about the history of sexuality.

"This book left me breathless!"

--R. L. Stine, #1 New York Times bestselling author of *Goosebumps* and *Fear Street* "Move over, *Stranger Things*. . . The *Darkdeep* will pull you into an irresistibly eerie world beyond your wildest dreams--and nightmares." --Melissa de la Cruz, #1 New York Times bestselling author of the *Descendants* series New York Times bestselling authors Ally Condie and Brendan Reichs team up to co-author this thrilling first book in a darkly suspenseful middle grade series. Everyone in *Timbers* knows *Still Cove* is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into *Still Cove*'s icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling

duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--and each other.

bestselling authors Ally Condie and Brendan Reichs co-author another edge-of-your-seat adventure in this darkly suspenseful middle grade series. Nico, Opal, Tyler, Emma, and Logan survived their worst fears come to life, and saved their tiny Pacific Northwest town of Timbers from a monstrous figment invasion. Now they just want to keep their heads down, enjoy Halloween, and explore the secrets of their mysterious houseboat clubhouse. And also figure out their new Torchbearer responsibilities as keepers of the Darkdeep, an ancient whirlpool hidden in Still Cove that can make both dreams and nightmares into reality. But when a dangerous new breed of figments starts appearing on their own, and the very environment around them begins to spiral out of control, the friends realize they have no idea what they are doing-or how they're supposed to restrain the Darkdeep. They must uncover the pool's origins, as well as those of the freaky Thing in a Jar, a seemingly lifeless green creature Opal believes is communicating with her. To make matters worse, a trashy YouTube series has rolled into town intent on finding the Beast, the legendary local sea monster suddenly stirring up the countryside. As threats rapidly close in around them, the friends must fight to protect their secrets, defeat new enemies, and save Timbers and all that they love. Told from alternating points of view, this chilling sequel from bestselling duo Ally Condie and Brendan Reichs will once again have readers sleeping with the lights on.

A state-of-the-art photographic field guide to the world's oceanic birds Oceanic birds are among the most remarkable but least known of all birds, living at sea, far from the sight of most people. They offer unusual identification challenges—many species look similar and it can be difficult to get good views of fast-flying birds from a moving boat. The first field guide to the world's oceanic birds in more than two decades, this exciting and authoritative book draws on decades of firsthand experience on the open seas. It features clear text filled with original insights and new information and more than 2,200

carefully chosen color images that bring the ocean and its remarkable winged inhabitants to life.

Never before have oceanic birds been presented in such an accessible and comprehensive way. The introduction discusses the many recent developments in seabird taxonomy, which are incorporated into the species accounts, and these accounts are arranged into groups that aid field identification. Each group and species complex has an introductory overview of its identification challenges, illustrated with clear comparative photos. The text describes flight manner, plumage variation related to age and molt, seasonal occurrence patterns, migration routes, and many other features. The result is an indispensable guide for exploring birding's last great frontier. A comprehensive, authoritative, and accessible guide to oceanic birds Covers more than 270 species Includes more than 2,200 color photos with concise captions noting key features Features careful species comparisons, overviews of the latest taxonomy, tips on how to observe and ID birds at sea, and much more

“ Great new book by wonderful and very street smart author Dan Bongino, EXONERATED, THE FAILED TAKEDOWN OF PRESIDENT DONALD TRUMP BY THE SWAMP. Dan hits all of the crooked points of the greatest Witch Hunt in political history. Nevertheless, the Scam continues! ” —President Donald J. Trump
An explosive, whistle-blowing expose, Exonerated: The Failed Takedown of Donald Trump by the Swamp reveals how Deep State actors relied on a cynical plug-and-play template to manufacture the now-discredited Russiagate scandal. With the cutting analysis and insight he exhibited in his blockbuster bestseller Spygate: The Attempted Sabotage of Donald J. Trump, Fox News contributor Bongino exposes who masterminded the dangerous playbook to take down Trump, their motives, and how a plan filled with faked allegations backfired—forcing investigators to up the ante and hide their missteps and half-truths in a desperate effort to prove a collusion case

that never happened. The result? The misguided multimillion Mueller investigation that tore the nation apart, tried to destabilize the presidency and led, as the world now knows, to nowhere!

The Darkdeep Independently Published
"Martin Bailey has written some of the most interesting books on Vincent 's life in France, where he produced his greatest work " - Johan van Gogh, grandson of Theo, the artist 's brother Studio of the South tells the story of Van Gogh 's stay in Arles, when his powers were at their height. For Van Gogh, the south of France was an exciting new land, bursting with life. He walked into the hills inspired by the landscapes, and painted harvest scenes in the heat of summer. He visited a fishing village where he saw the Mediterranean for the first time, energetically capturing it in paint. He painted portraits of friends and locals, and flower still life paintings, culminating in the now iconic Sunflowers. He rented the Yellow House, and gradually did it up, calling it ' an artist 's house ' , inviting Paul Gauguin to join him there. This encounter was to have a profound impact on both of the artists. They painted side by side, their collaboration coming to a dramatic end a few months later. The difficulties Van Gogh faced led to his eventual decision to retreat to the asylum at Saint-Remy. Based on extensive original research, the book reveals discoveries that throw new light on the legendary artist and give a definitive account of his fifteen months in Provence, including his time at the Yellow House, his collaboration with Gauguin and its tragic and shocking ending.
