Korean Visual Dictionary: A photo guide to everyday words and phrases in Korean (Collins Visual Dictionary) Tuttle Publishing

This timely volume opens a window on issues related to English language education in Vietnam. The authors consider that teacher quality is the key factor to be considered if the national English language curriculum outcomes are to be achievable. Aiming to shed light on key issues recently observed in the Vietnamese landscape of English language education, it examines the complexity of the institutionalization of the standardized English proficiency policy, which has been in force since 2008. That policy uses the Common European Framework of References for Languages (CEFR) as the model to set the standards and levels of proficiency for teachers, learners and state employees. The book presents both the theoretical and practical aspects of the standardization movement in English language education. The contents comprise a series of extended research-based chapters written by experts of language-in-education policy and planning in and about Vietnam from a range of perspectives including teachers, English language curriculum developers, teacher educators and researchers. The rich coverage of the book includes current discussion on English language education in Vietnam ranging from policy to practice, making it highly relevant to English teachers, teacher educators, and scholars, in Vietnam and worldwide, who aspire to broaden their horizons and professionalism.

An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019 Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by *Vulture*, *Entertainment Weekly*, *Buzzfeed*, *Los Angeles Times*, *Boston Globe*, *Oprah.com*, *Huffington Post*, *The A.V. Club*, *Nylon*, *The Week*, *The Rumpus*, *The Millions*, *The Guardian*, *Publishers Weekly*, and more. "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, *The Washington Post* Poet Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling *On Earth We're Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the

speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: *GQ*, *Kirkus Reviews*, *Booklist*, *Library Journal*, *TIME*, *Esquire*, *The Washington Post*, *Apple*, *Good Housekeeping*, *The New Yorker*, *The New York Public Library*, *Elle.com*, *The Guardian*, *The A.V. Club*, *NPR*, *Lithub*, *Entertainment Weekly*, *Vogue.com*, *The San Francisco Chronicle*, *Mother Jones*, *Vanity Fair*, *The Wall Street Journal Magazine* and more!

As part of a long series of Vietnam's policy objectives, English education has been identified as key to improving the quality of its rapidly expanding tertiary institutions and is crucial to the larger aim of modernising and internationalising its economy. Bringing together a wide range of Vietnamese and foreign English education scholars, and tertiary educational practitioners, this book documents the significant progress and challenges in the realisation of Vietnam's English language policies as they are enacted in the higher education sector. Changes to Vietnam's higher education system remain unstable, unsystematic, and insubstantial. This book provides insights into how recent Vietnamese government policy is providing for a substantial and comprehensive renewal of Vietnam's tertiary education as part of their 2020 plan. Academics and students of English education, language policy, and nation building within the context of increased globalisation and marketisation in developing nations and Vietnam, in particular, should find this book valuable.

Essential Vietnamese Hippocrene Books

This dictionary is geared toward those who are working, traveling or doing business in Southeast Asia, and are already learning to speak Thai, Malay, or Vietnamese. It is meant to serve as a ready reference as one moves about in and through Thailand, Malaysia and Vietnam. One may find as one travels in these countries that the natives rarely know much of their neighbors' languages; so it seems prudent to be prepared for this "gap". Of course, a dictionary can't teach a person to speak a language, but in conjunction with a good language course, it is hoped that this dictionary will be useful.
