Reading Livy's Rome Penguin UK

Romulus and Remus, the rape of Lucretia, Horatius at the bridge, the saga of Coriolanus, Cincinnatus called from his farm to save the state -- these and many more are stories which, immortalized by Livy in his history of early Rome, have become part of our cultural heritage. This new annotated translation includes maps and an index and is based on R. M Ogilvie's Oxford Classical text, the best to date. - ; the fates ordained the founding of this great city and the beginning of the world's mightiest empire, second only to the power of the gods' Romulus and Remus, the rape of Lucretia, Horatius at the bridge, the saga of Coriolanus, Cincinnatus called from his farm to save the state - these and many more are stories which, immortalised by Livy in his history of early Rome, have become part of our cultural heritage. The historian's huge work, written between 20 BC and AD 17, ran to 12 books, beginning with Rome's founding in 753 BC and coming down to Livy's own lifetime (9 BC). Books 1-5 cover the period from Rome's beginnings to her first great foreign conquest, the capture of the Etruscan city of Veii and, a few years later, to her first major defeat, the sack of the city by the Gauls in 390 BC. -

A Livy Reader Oxford University Press, UK

A title in the "BCP Latin Texts" series, in Latin with English notes, vocabulary and introduction. In writing the history of Rome, Livy sought to emphasize the traits in the national character that had made Rome great.

A Companion to Livy features a collection of essays representing the most up-to-date international scholarship on the life and works of the Roman historian Livy. Features contributions from top Livian scholars from around the world Presents for the first time a new interpretation of Livy's historical philosophy, which represents a key to an overall interpretation of Livy's body of work Includes studies of Livy's work from an Indo-European comparative aspect Provides the most modern studies on literary archetypes for Livy's narrative of the history of early Rome

The Art of Reading Latin Wentworth Press

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, The Times "Translated with painstaking accuracy—but also great readability."—Weekly Standard "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—Choice

Livy: Ab urbe condita Book XXII Bolchazy-Carducci Publishers

This is the fourth and final volume of John Briscoe's commentary on Livy's History of Rome. Books 41-45, the last surviving books, cover the years 178-167 BC and depict the Third Macedonian War which

lasted from 171-168 BC, resulting in the destruction of the Macedonian monarchy.

Livy: Stories of Rome Digireads.com Publishing

Originally published in 1889, this book contains the Latin text of the 22nd book of the monumental history of Rome by Titus Livius, which deals with Hannibal's advances in Italy during the Second Punic War and the disastrous Roman losses at the battles of Lake Trasimene and Cannae.

Livy: Oxford University Press

Livy's first book covers the 'mythical' period of Rome, from the arrival of Aeneas in Italy, including the founding of Alba Longa and Rome, the lives of Romulus and Remus, and the period of Kingship up to the banishment of the last of the seven kings, Tarquinus Superbus and the election of the first consuls. The book opens with Livy's important Preface which explains his rationale for writing this history. This edition, with introduction, commentary notes and vocabulary by H.E. Gould and J.L. Whiteley, was first published in Macmillan's Modern School Classics series. The introduction covers the life and work of Livy, his role as an historian, Livy's writing, style,

grammar and syntax, and the historical context of the period. The edition's comprehensive annotation, vocabulary and introduction elucidates essential points of historical content as well as providing all the linguistic support needed to understand the text, including glosses of obscure words, explanations of difficult phrases and grammatical support. A translation of the Preface and maps of Latium and Rome of the Regal Period are also included.

The History of Rome (Books XXVII-XXXVI) Bristol Classical Press
An epic endeavor by a man genuinely enamored of his native Rome, Livy's "The History of Rome" was originally written in 142 books spanning the entire history of the Roman people up to Livy's day in the time of Augustus in the first century BC. While this Roman historian's monumental undertaking took most of his life, only 35 books still survive today. Livy begins with Aeneas' landing on Italy and the myth of Romulus and Remus' founding of Rome. He also thoroughly covers numerous wars, such as the Samnite Wars, the Punic Wars, and the Social War, as well as all of the rulers of Rome, including Julius Caesar, Nero, and Augustus. Though the work is a bit biased, its countless references to other sources are a testament of Livy's attempt to create an accurate, understandable history of the Roman Kingdom, and, later, the Republic. Simultaneously a glorification of Rome and a passionate warning to future Romans, "Ab Urbe Condita" reflects the magnificence and ignominy, the opinions and interests, and the myths and political realities of one of history's most remarkable civilizations. In this volume you will find books XXVII-XXXVI of Livy's "Histories."

Livy, Book IV Oxford University Press

"Here is a superb new translation of Books 6 to 10 of Livy's monumental history of Rome, covering the period when Rome, in a series of ever greater wars, imposed mastery over virtually the entire Italian peninsula. Livy paints vivid portraits of all the notable figures, such as young Manlius Torquatus, victor in a David-versus-Goliath duel with a Gallic chieftain, and Appius Claudius who built Rome's first major highway, the Appian Way. Livy's blend of factual narrative and imaginative recreation brings to life a key moment in the rise of Rome, and the one complete account we have, as the city passes from the mists of legend into the light of history. J. C. Yardley's translation gives a vivid sense of the energy, variety, and literary skill of Livy's great work. Dexter Hoyos's Introduction sets Livy in the context of Roman historiography and deftly explains why this period was so critical an era for the rise of Rome. The most up-to-date edition, drawing on the latest scholarship, this major work of Roman literature and history includes comprehensive

notes that clarify problems of historical content, topography, and chronology, a detailed glossary of Roman technical terms, an appendix on the Roman legion of the time, and two maps."--Publisher's website.

The History of Rome, Books I-VIII (Dodo Press) Routledge
Treats a compelling narrative of two of history's most famous battles, and assists translation and literary and historical appreciation.

The War with Hannibal Palala Press

With stylistic brilliance and historical imagination, the first five books of Livy's monumental history of Rome record events from the foundation of Rome through the history of the seven kings, the establishment of the Republic and its internal struggles, up to Rome's recovery after the fierce Gallic invasion of the fourth century B.C. Livy vividly depicts the great characters, legends, and tales, including the story of Romulus and Remus.

Reprinting Robert Ogilvie's lucid 1971 introduction, this highly regarded edition now boasts a new preface, examining the text in light of recent Livy scholarship, informative maps, bibliography, and an index. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Livy Book XXII Bristol Classical Press

In The War with Hannibal, Livy (59 BC-AD 17) chronicles the events of the Second Punic War between Rome and Carthage, until the Battle of Zama in 202 BC. He vividly recreates the immense armies of Hannibal, complete with elephants, crossing

the Alps; the panic as they approached the gates of Rome; and the decimation of the Roman army at the Battle of Lake Trasimene. Yet it is also the clash of personalities that fascinates Livy, from great debates in the Senate to the historic meeting between Scipio and Hannibal before the decisive battle. Livy never hesitates to introduce both intense drama and moral lessons into his work, and here he brings a turbulent episode in history powerfully to life.
