Jordan Cross left town with hellfire hot on her heels when her magic backfired. Now she 's returned to Holiday, Montana to find that not much has changed—except everything she hadn ' t wanted to leave behind. Matt Cooper isn ' t pleased to see Jordan back in town. Not only did she break his heart when she left, he ' s been keeping secrets from his family and friends and he knows the moment he ' s left alone with his ex, he won ' t be able to keep them in anymore. Only one look and he knows he ' s lost. Again. But magic has a way of turning on a dime and if they ' re not careful, they might lose everyone once more—even before they have a chance to make it theirs. ~~~~~ Read what others are saying about New York Times bestselling author, Carrie Ann Ryan: “ Count on Carrie Ann Ryan for emotional, sexy, character driven stories that capture your heart! ” – Carly Phillips, NY Times bestselling author “ Carrie Ann Ryan ' s romances are my newest addiction! Morning Miracle Shebooks

What if to bring a Christmas miracle to those you care about most, you had to commit a felony? That's the quandary Jack La Falla finds himself in. Jack hasn't had an easy life or even a fair one. Yet the day that he became the superintendent of Building 649 in the Bronx, everything changed. He has an honest living, but, more important, he has a purpose. That purpose is the people living in 649. As residents of low-income housing, they don't have the smoothest time of it. They struggle to make ends meet and to deal with the various blows that life throws at them. Yet Jack is always there to help them any way he can. This particular year has been tough for a lot of his residents. Determined to give the families a real and true Christmas morning, Jack will stop at nothing to make that dream come true...even if it means stealing the money to do it. But will he make it to Christmas Day undiscovered? One Day at Christmas is a holiday adventure that will keep you guessing until the very last moment.

LEARN TO HARNESS AN UNCONVENTIONAL TOOL FOR LEADERSHIP SUCCESS. As the president and chief executive officer of Kindred Healthcare LLC, Ben Breier has witnessed massive disruptions to the healthcare industry. Gaining an early understanding of how to survive disruptions on the baseball field proved to be invaluable when he entered this challenging field. Using techniques honed over the course of his leadership career, Ben has been able to not only survive disruptions but thrive using intentional disruption as a business strategy. Learning to harness the power of disruption and use it in an intentional way became the key to his success in business. This is not a technical business book; it's an emotional leadership survival guide that speaks to the trend in emerging leaders to be connected to a mission rather than just a salary. This book, written for today's leaders and tomorrow's emerging leaders, examines how disruptions have the power to control us unless we develop the skills and tools needed to control them.

Insiders' Guide to Atlanta is the essential source for in-depth travel and relocation information to the Georgia's largest city. Written by a local (and true insider), this guide offers a personal and practical perspective of Atlanta and its surrounding environs.

From Harm and Injustice John Wiley and Sons

This fully revised and updated edition of Norman McCord's authoritative introduction to nineteenth-century British history has been extended to cover the period up to the outbreak of the First World War in 1914. The authors chart the development of a modern state equipped with a large and expanding bureaucracy, the expansion of overseas territories into one of the

world's greatest empires, and changes in religion, social attitudes, and culture. *British History 1815-1914, Second Edition*, divides the era into four chronological periods, with chapters on the political background, administrative development, and social, economic, and cultural changes in each period. This new edition explores such major themes as the massive increase in population, the question of class, the scope of state activity, and the development of consumerism, leisure, and entertainment. Featuring a select bibliography and biographical appendix, this volume provides the ultimate introduction to British history between the end of the Napoleonic Wars and the outbreak of the First World War.

An in-depth look at the Washington Post from a Pulitzer Prize-nominated Post veteran. *Morning Miracle* definitively answers the question “Do newspapers still matter?” with a resounding yes. What The Kingdom and the Power did for the New York Times, *Morning Miracle* will do for the Washington Post. A reporter for more than forty years, Dave Kindred takes you inside the heart of the legendary newspaper and offers a unique opportunity to see what it really takes to produce world-class journalism every day. Granted unprecedented access to every nook and cranny of the paper, including candid exchanges with its most celebrated journalists, such as Bob Woodward, Sally Quinn, David Broder, and former executive editor Ben Bradlee (who gave the book its title), Kindred provides a no-holds-barred look at the twenty-first-century newsroom. As it becomes more difficult to maintain journalistic integrity, stay relevant in the age of blogs, and meet Wall Street's demands for profits, the newspaper—more than any other medium—also shoulders the tremendous responsibility of acting as a watchdog for democracy. Perhaps no one sums up the overwhelming challenges that face the Post and its power to endure better than the author himself: “It is still a miracle that you can put 700 overcaffeinated misfits in a newsroom, on deadline, adrenaline running, secrets to spill, and before midnight a messenger delivers a smoking-hot city edition to Don Graham's manse in Georgetown.”

The British Journal of Nursing with which is Incorporated the Nursing Record ... e-artnow

An essential guide for putting workforce management systems to work for your business Showing you how to take your business from reactive to proactive and improve performance. *No Boundaries* provides a vendor-neutral guide on how your company can use workforce management systems to improve productivity and profits. Drawing upon years of experience implementing these systems, author Lisa Disselkamp offers numerous case studies illustrating how organizations have used workforce management systems to solve their business problems and discusses: How the latest software uses data from time and attendance to create real time visibility into employee activity and cost Developments in labor management technology that can mitigate the challenges faced by employers in every industry and public sector Using labor data to achieve financial goals and maximize profits Using workforce management technology to enhance operations, quality, compliance, and employee satisfaction and retention Adding value to data through integration with other key business information How to build a business case and gain internal support for an investment in time and labor management technology Guide to selecting and installing time and labor systems This book bridges the gap between what business leaders understand about their business and what they have yet to learn about this technology. The author introduces the concept of Mission Based Configuration, showing companies how to apply time and labor systems to their business needs to save time and money. The use of technology offers an effective tool to manage budgets, meet strategic targets, and channel decision-making toward best practices. *No Boundaries* reveals how your business can win the race for profits and productivity.

The book was an immediate success. The central character, Anne Shirley, an orphaned girl, made Montgomery famous in her lifetime and gave her an international following.

Lucy Maud Montgomery - Holiday Collection Saint James Press Octavia E. Butler's bestselling literary science-fiction masterpiece, *Kindred*, now in graphic novel format. More than 35 years after its release, *Kindred* continues to draw in new readers with its deep exploration of the violence and loss of humanity caused by slavery in the United States, and its complex and lasting impact on the present day. Adapted by celebrated academics and comics artists Damian Duffy and John Jennings, this graphic novel powerfully renders Butler's mysterious and moving story, which spans racial and gender divides in the antebellum South through the 20th century. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. Held up as an essential work in feminist, science-fiction, and fantasy genres, and a cornerstone of the Afrofuturism movement, there are over 500,000 copies of *Kindred* in print. The intersectionality of race, history, and the treatment of women addressed within the original work remain critical topics in contemporary dialogue, both in the classroom and in the public sphere. Frightening, compelling, and richly imagined, *Kindred* offers an unflinching look at our complicated social history, transformed by the graphic novel format into a visually stunning work for a new generation of readers.

Civil False Claims and Qui Tam Actions, 5th Edition Beacon Press *Just Me and My Three Sons* is a gutsy, wry, and smartly told tale of maternal devotion. Michele Weldon doesn't just cope when her husband abandons her and their three young sons, she does everything in her power—and then some—to assure that her three children thrive. She is a warrior mom in the best possible way—fiercely protective of her sons yet respectful of their growing independence, even when cancer threatens to upend the family's hard-won stability. Weldon beats the odds on every page.

Illinois Services Directory Harper Collins

From the New York Times bestselling author of *Parable of the Sower* and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah

Stock, Ryan Kwanten, and Gayle Rankin.

Lucy Maud Montgomery's Holiday Classics (Tales of Christmas & New Year) Oxford University Press on Demand

Jake's grandfather, Billy, hears the talk of birds, is eighty-eight years old, and is going to live forever. Even when Billy gets sick, Jake knows that everything will go on as always. But there's one thing Billy wants: to rebuild the sod house where he grew up. Can Jake give him this one special thing? From beloved author Patricia MacLachlan comes a poignant story about what we do for the ones we love, and how the bonds that hold us together also allow us to let each other go.
