## White Horse

Houghton Mifflin  
Harcourt

Even in 1960s  
Detroit, race isn't  
everything. Tom  
Daniels and  
"Cookie" Marsh will  
be the first to  
tell you that race  
isn't everything.  
But it did shape  
the way they  
experienced the  
world growing up in  
Detroit in the  
1950s and 60s. Tom  
"Cookie" Marsh grew  
up in a black  
neighborhood on  
Detroit's west  
side. Tom Daniels  
grew up in a mixed,  
working-class  
neighborhood on  
Detroit's east  
side. Both men grew  
up in strict

households where  
they "always got  
what we needed, and  
sometimes what we  
wanted" and both  
saw their city,  
their country, and  
their world  
transform around  
them through the  
Civil Rights  
movement, riots,  
and the Viet Nam  
War. But sometimes  
parallel lines  
intersect. As each  
man tells his  
story, it is  
apparent that race  
isn't just "black  
and white" but it  
is part of what  
makes their  
friendship  
extraordinary.  
Their experiences  
will show you that  
race made for huge

---

differences in their experiences, while, in spite of race, there are also touching similarities that made it possible for two men, in their older years, to overcome decades of racial turbulence of their upbringing to become lifelong friends. Follow Tom and Cookie. Hear about their lives, their upbringing, their successes and regrets growing up in black and white Detroit - and how when it boils down to it, the things that are truly important are actually black and white, like you and

me.

**The Man in the White House**

Man in White  
New York Times  
Bestseller (Humor)

"The book everyone is laughing about!"--Joe Scarborough, Morning Joe From legendary comedian D.L. Hughley comes a biting funny send-up of the Obama years, as "told" by the key political players on both sides of the aisle. What do the Clintons, Republicans, fellow Democrats, and Obama's own family really think of President Barack Obama? Finally, the truth is revealed in this raucously funny "oral history" parody. There is no more astute--and hilarious--critic of politics, entertainment, and race in America than D. L. Hughley, famed

 "vital, necessary, and

---

beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white

fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

### **Man in White**

Hachette+ORM

"Gorgeously crafted, morally authoritative, The Last White Man concludes on a note of hope, a door jarred open just enough to let transcendence pour through, literature's mission incarnate."

-O, the Oprah Magazine From the New York Times bestselling author of Exit West, a story of love, loss, and rediscovery in a time of unsettling change One morning,

---

Anders wakes to find that his skin has turned dark, his reflection a stranger to him. At first he tells only Oona, an old friend, newly a lover. Soon, reports of similar occurrences surface across the land. Some see in the transformations the long-dreaded overturning of an established order, to be resisted to a bitter end. In many, like Anders's father and Oona's mother, a sense of profound loss wars with profound love. As the bond between Anders and Oona deepens, change takes on a

different shading: a chance to see one another, face to face, anew. In Hamid's "lyrical and urgent" prose (O Magazine), *The Last White Man* invites us to envision a future - our future - that dares to reimagine who we think we are, and how we might yet be together. *White Masculinity, Masochism, and Contemporary American Culture* Macmillan An in-depth biography of the man responsible for such classics as *The Adventures of Huckleberry Finn* and *The Prince and the Pauper* offers an

---

account of the humorist's later years.

### **The Man in the White Linen Suit**

HarperCollins

Ever since Black Stig disappeared off the front of HMS Invincible in 2003, one question has captivated 350 million viewers of Top Gear around the world: Who is the man in the white suit?

### **The Story of Skin**

Color Bloodaxe Books Limited

It started with a question about the blues: what makes the music of the downtrodden black man so alluring to white middle-class ears? And that's where it gets interesting. Because blues is more than a

musical genre: it's a cultural phenomenon that spans several centuries on both sides of the Atlantic, from slavery to Black Lives Matter, from Jan van Riebeeck to Fees Must Fall, from Robert Johnson to Abdullah Ibrahim. In *Blues for the White Man*, Fred de Vries looks for answers in America's Deep South, drawing historical parallels with South Africa's experience of colonialism, slavery, racism, civil war, segregation and protest. Travelling to Atlanta, Memphis, Nashville, New Orleans and the Mississippi Delta, De Vries speaks to musicians, Black Lives Matter activists and Trump supporters. He continues the conversation in South Africa, interviewing student protesters,

---

white farmers and political thought-leaders to develop an understanding of white supremacy and black anger, white fear and black pain. A fascinating, insightful journey through time and space, *Blues for the White Man* is a celebration of multiculturalism and a plea for white people to do some 'second line dancing' for a change.

*Barack Obama and the Triggering of America's Racial-aversion Crisis*

Penguin Random House South Africa  
*Black Man in the White House*, first published in 1963, is the White House account of E. Frederic Morrow

(1906-1994), the first African-American to serve on a Presidential staff in an executive position. During the 1950s, Morrow was a member of President Eisenhower's inner circle of policy-makers, and the book, extracted from Morrow's diaries, is a fascinating look at the Eisenhower administration and also of a country coming-to-grips with the about-to-explode problems of segregation and racial inequality. E. Frederic Morrow is the first African-American in history to have

---

served on a Presidential staff in an executive capacity. During the Eisenhower years he was in the White House as a member of President Eisenhower's inner circle of policy makers. Because of the historical element in this unprecedented situation, Mr. Morrow kept a number of diaries. The book that emerges from them is fascinating, poignant, and sometimes shocking. You get to meet everyone from Richard Nixon to Sherman Adams to Nkrumah Kwame from a unique

perspective. His concern for the direction of the Republican party is prescient and palpable. I could not put it down. *Blues for the White Man* HarperCollins Long ago, Black Man and White Man didn't really know each other. Although their paths would sometimes cross, they lived in different places. Still, they were brothers who were loved by the same God. As the years passed, both White Man and Black Man made choices that led to hurt and pain. Years later, they still didn't really know each other. Sometimes they forgot how to listen and became angry. It was only when White Man and Black Man

---

decided to talk,  
listen, and learn that  
they finally began to  
embrace their  
similarities, not  
their differences. In  
this simple story with  
a powerful message,  
children learn about  
the value of  
compassion,  
understanding, and  
kindness between all  
people, regardless of  
history or background.

*His Powers and Duties*  
Wings Press

"An inspiring story  
and a practical guide  
that shows young  
college graduates how  
with hard work and  
discipline they can  
save enough money to  
retire by the age of  
35. It's not an easy  
path; it may not be  
for everyone, and  
retiring at the age of  
35 will not guarantee  
happiness. But it will  
give you the freedom  
you need to pursue

your life and happiness  
as you choose without  
ever needing to work  
again... for the rest  
of your life!" -- Back  
cover.
